

Enhance your finance-related internship this summer with **WALL STREET EXCHANGE**

"It was a great program and I am so glad that I got to participate in it, I learned so much about what is valued in finance, how to cater my strengths to finding the job I want, and exposure to others interested in finance."

— Nithi Subbaian,
Cooper Union, Class of 2020

Wall Street Exchange has been helping young women and men navigate the competitive financial job market for over 38 years.

WSE is not an internship; it is a career development program designed to augment and coincide with your summer internship experience.

Enhance your job search skills, learn about leadership skills, and think strategically about career choices. Participate in nine weekly events that will help strengthen your skills and prepare you to execute a successful full-time job search within finance and other related fields such as technology, engineering, or math.

Participation benefits include:

- * **Enhancing job search skills** through virtual workshops on resume writing, interview techniques, business etiquette, and more
- * **Developing leadership techniques** and other soft skills necessary to execute a successful job search
- * **Building a professional network** with fellow program participants and interns and employees from sponsor firms

**ACCEPTANCE TO WSE IS COMPETITIVE.
APPLICATIONS WILL OPEN IN APRIL 2020.**

To qualify, you must have completed your junior year of college and have:

- A goal to obtain a paid summer internship in the NYC tri-state area with a financial services firm or within a financial function at a non-financial firm
- A minimum cumulative G.P.A. of 3.0 on a 4.0 scale
- An interest in exploring a career in finance or business
- A fully complete application containing all requested information
