What is GAMA?

The **Game Manufacturers Association (GAMA)** is a non-profit organization dedicated to serving the hobby games industry by advancing professional interests, providing educational programs and opportunities, and promoting our unique form of quality social entertainment.

Retailer Members of GAMA have access to a variety of benefits:

Networking: GAMA provides members multiple in-person and online networking opportunities. Direct access to the membership directory, official Facebook Group, and the chance to meet peers at the in-person GAMA Trade Show, are just a few of the benefits.

The Game on Every Table - Holiday Game Drive

We all know how important it is to play together, and GAMA members want to help local communities put a game on every table for the holiday season. Through the "Game on Every Table" initiative, participating retailers are able to provide their communities with a "buy one, get one at 50% off" program for select games from participating publishers during the holiday season. These discounted games are then donated to Toys for Tots! GAMA Retailer Members are provided with all the information and marketing materials needed to promote this initiative. For more information visit gama.org.
