

Executive Luncheon Series

For Utility Directors, Assistant Directors, and Local Corporate Senior Executives

May 22, 2019
GAWP HQ
11:30 am – 1:30 pm

The Spring Executive Luncheon will focus on *Ethics in Government*. We've all seen examples of what not to do and in this age of social media and negative news coverage, bad news can travel fast. Our panelists will include the Mayor of Dawsonville, Mike Eason, who previously worked with the Georgia Bureau of Investigation; Keith Evans, Headmaster of Westminster Schools, who will speak on creating a culture of ethical behavior; and Milbree Lankford, General Counsel for Douglasville-Douglas County Water & Sewer Authority, who will remind us as water professionals how to promote ethics in our business. Ethical standards can be hard to define and difficult to interpret—come find out from some experts how to navigate these turbulent waters.
