Outstanding Achievement in Artistic Design

Instructions To Judges: Select the top three (3) towers that are visually appealing. The artistry of the tower should be unique and unlike other models. Material selection, shapes, patterns, colors, and textures show great skill and technique in artistic workmanship. Enter in the Tower Number in the table below.

Data Entry Instructions: Give each student 3 points for each 1st place vote, 2 points for each 2nd, and 1 point for each 3rd. Enter the total score in the “Most Artistic Design” row on the data entry spreadsheet. **Note: this is the one category where the highest score will be the winner.
