SEMINAR

Friday
November 6th, 2026

8:00am - 5:00pm

Registration: 8 am
Sessions begin at 8:50 am

Seminar Sessions at a glance:

Don't Box Yourself In: Rethinking Banking RFPs - 1.5 CPE

This session explains how the public sector can use RFPs to solve problems and discover new technologies instead of just replacing old processes.

Replace "Meetings" with "Thinkings" - 1.5 CPE

Learn practical tools to run fast, engaging meetings that focus attention, define clear results, and avoid common biases.

Conversational AI: The new typing? - 1.5 CPE

This session teaches core Conversational AI concepts and adaptable mental models through hands-on exercises you can use right away.

Building a Portfolio for All Seasons - 1.5 CPE

This session covers portfolio fundamentals and current interest rates to help you build a strong investment strategy instead of trying to time a volatile market.
