Highlight your company and reach Medical Practice Professionals throughout Georgia

Georgia Medical Group Management Association is a professional association whose members are practice administrators and managers throughout the state. We want to share benefits and opportunities for your company to connect with these professionals whose focus is medical practice administration.

MEMBERSHIP

When you join Georgia MGMA as a Business Partner member you are aligning your company with our association. Our members are encouraged to shop with you for products and services for their practice. Business Partners may contribute one healthcare industry webinar to our members per year, sharing your knowledge and expertise. You will be listed in our member database and become eligible to be a presenter at our annual conference.

EXHIBITOR AND SPONSORSHIP OPPORTUNITIES

Georgia MGMA Spring and Fall Conferences are a great opportunity to promote your products and services and network with practice administrators. Our exhibitors interact with attendees and are invited to attend all general sessions, meals, and events.

WEBINARS

Our growing network of industry professionals need and enjoy attending webinars for news and information. Your company is invited to send topic selections along with a brief description for the education committee to schedule a time that works for you. Webinars are held on Wednesdays at noon. All webinars are recorded and available on demand on our website. They are also sent to the entire membership afterwards for their convenience.

WEBSITE SPONSOR

gmgma.com shares tools and information, news, on-line membership application, conference information and pictures, Business Partner listings and a Career Board. Your logo appears on our home page and includes a link that will take visitors and members directly to your company website.
