Representatives from technology departments within nonprofit organizations or quasi-governmental entities committed to serving the public interest and aligned with the core mission of GMIS International's primary membership category. This includes nonprofit groups and quasi governmental entities reliant on public funding, offering support to state, county, or municipal governments, K-12 schools, and higher education institutions. Membership approval is subject to review by the membership committee.

Representatives of this membership group do not have voting rights and may not serve as officers of GMIS International.

TOTAL		48

c. The Executive Board shall establish dues annually. The executive board shall be authorized to increase dues by no more than 5% of the previous year's membership dues. Dues increases in excess of 5% of the previous year’s dues shall be approved by a majority vote of the membership to be conducted by electronic or other means.

Such a vote shall be conducted with at least 30 days’ notice to all voting members.
