The Human Anatomy & Physiology Society (HAPS) cordially invites you to attend and exhibit at our 38th HAPS Annual Conference in St. Louis, MO. EXHIBIT RESTRICTIONS
HAPS reserves the right to refuse rental of display space to any company whose display of goods or services is not likely to be, in the opinion of HAPS, compatible with the general character and objectives of the exposition. The conference is a "closed trade show" designed to provide a showcase for equipment, goods, and services used by the participants of the Human Anatomy and Physiology Society. HAPS will refund the deposit of any prospective exhibitor whose Exhibitor Application is not accepted by HAPS. 

HAPS reserves the right to restrict exhibits which, because of noise, method of operations, or any other reason are deemed objectionable, and may also prohibit or evict any exhibit which, in the opinion of the Executive Committee of HAPS, may detract from the general character of the show. In the event of such restrictions or eviction, the HAPS is not liable for any refunds, rentals, or other exhibit expenses.

USE OF SPACE
No exhibitor may assign, sublet, or apportion the whole or any part thereof, of space allotted nor exhibit therein any goods other than those manufactured or handled by the exhibitor in the regular course of his/her business, nor permit any representative of any other firm to solicit business, take orders, or sublet in his/her space.

SIZE LIMITATIONS FOR BULK SPACE
Built-up exhibits or other construction cannot exceed 8 feet on background wall height without prior approval of Caitlin Hyatt, the HAPS Business Manager. If your display or equipment will not fit within the space you purchased, you will need to purchase an additional table or booth, or you will be asked to modify the exhibit. To create an island, exhibitor must purchase a minimum space of 20'x 20'. Exhibits will not be permitted to protrude into the aisles or significantly impede the visibility of neighboring exhibitors.

“BE A GOOD NEIGHBOR”
No exhibits will be permitted to interfere with other exhibits, impede access to them, or impede free use of the aisle. Booth personnel, including demonstrators, receptionists, and models are required to confine their activities within the exhibitor’s table/bulk space. Apart from the specific display space for which an exhibiting company has contracted with HAPS, no part of the Marriott St. Louis Grand or its grounds may be used by any organization other than HAPS for display.
MUSIC AND AMPLIFICATION
Due to ASCAP and BMI licensing requirements and U.S. copyright laws, no copyrighted music, live or recorded, will be permitted in the exhibit hall unless the exhibitor using the material has purchased the appropriate license. Exhibitor agrees to indemnify, defend, and hold harmless HAPS from any liability arising due to use of copyrighted music by exhibitor. This rule includes background music and audiovisual presentations. The use of recordings, videos, slides, or other audiovisual devices (except for speakers and microphones) is permissible; however, the sound volume of any such device must not exceed that of normal conversation voice level and must not be objectionable to neighboring exhibitors.

SELL OUT/WAITING LIST
Upon the show becoming a sell-out, HAPS will establish a waiting list for space on a first come, first served basis. Companies on the official waiting list will be considered as an “exhibitor” for purposes of preference in assignment of 2024 booth space and will have all the rights and privileges to reserve 2024 booth space as other exhibitors who have booths at the Conference provided all applications and deposits are received when due. In the event of a “no show” by a registered exhibitor by 5:00 pm, on May 25, 2024 (unless other arrangements are made) the waiting list will be used to give companies the opportunity to utilize the empty space. Set up for waiting list companies will occur between 5:00 pm and 9:00 pm on Saturday, May 25, 2024.

ADDITIONAL EXHIBITOR EVENTS (Public or Private)
Exhibitors wishing to schedule additional public or private functions must notify the HAPS Business Manager and receive approval for the event. These events include author dinners, focus groups, and other exhibitor-specific events. Events that conflict with any official HAPS Conference event will be denied. **Exhibitors who conduct such events anyway will be fined $1000, may be removed from the event, and may be denied access to future events. April 29, 2024 is the deadline for reporting events for approval to the HAPS Business Manager.**

EXHIBITOR APPOINTED CONTRACTOR (EAC)
An Exhibitor using an Exhibitor Appointed Contractor (EAC) agrees to notify HAPS and Heritage, the official contractor of the 2024 HAPS Annual Conference of such appointment and agrees to indemnify and hold harmless HAPS, the Marriott St. Louis Grand and their respective officers, directors, staff, employees, and agents from any and all liability or losses for any act, complaint, damage or loss to the any other exhibitor, the exhibit facility, the property of any contractor or any consequential damages arising out of any such act or loss from the time the independent EAC first arrives at the facility until the final move-out is complete.

The exhibitor further agrees that HAPS may prohibit the EAC from working in the facility if they do not fully comply with all rules and regulations set forth for them at this event. Any Exhibitor using an EAC agrees to advise its EAC of all terms and conditions. (In short – if you have someone set up your booth – they have to abide by the rules.) Since Heritage was selected as the official contractor for the meeting, any company choosing to use a third party must contact HAPS and Heritage to fill out any necessary paperwork.

SELLING GOODS AT THE CONFERENCE
Retail selling from table/bulk space by exhibitors is prohibited. Solicitation by non-exhibitors is prohibited. Any person representing a non-exhibitor, identified soliciting in common areas of the convention center, will be asked to vacate the premises.
FIRE CODES
Fire regulations will be in accordance with the City of St. Louis, Missouri.

CANCELLATION OR POSTPONEMENT OF THE CONFERENCE
In the event that the Conference is postponed due to any occurrence not occasioned by the conduct of HAPS or Exhibitor, whether such occurrence be an Act of God or the common enemy, a pandemic or outbreak of a major communicable disease, or the result of war, riot, civil commotion, sovereign conduct, or the act or conduct of any person or persons not party or privy to this Lease, then the performance of the parties under this Agreement shall be excused for such period of time as is reasonably necessary after such occurrence to remedy the effects thereof, and in any event for the duration of such postponement. If such occurrence results in cancellation of the Exposition, the obligations of the parties under this Agreement shall be automatically terminated and all payments made under this contract shall be refunded to Exhibitor, less a pro rata share of expenses actually incurred by HAPS in connection with the Conference. HAPS shall not be financially liable in the event the show is interrupted, cancelled, moved, or dates changed except as provided herein.

LIABILITY
It is expressly understood and agreed between exhibitors and HAPS shall be under no liability for loss of, or damage to goods or property of exhibitors, or personal injury to the exhibitor or exhibitor’s employees. Exhibitor hereby agrees to protect, defend, indemnify, and save HAPS, its officers, directors, employees, and agents harmless against all claims, losses or damages to persons or property, governmental charges or fines and attorney’s fees arising out of or caused by the exhibitor’s installation, removal, maintenance, occupancy or use of the exhibition premises or a part thereof, excluding any such liability caused by the sole gross negligence of HAPS and its employees and agents.

INSURANCE
Exhibitor shall obtain and keep in force, during the term of the installation and use of exhibit premises, policies of Comprehensive General Liability Insurance insuring the liability set forth in this Exhibitor Contract, in an amount not less than $1,000,000 combined single limit for personal and property damage. Exhibitor acknowledges that HAPS does not maintain insurance covering exhibitor’s property and that is the sole responsibility of the Exhibitor to obtain business interruption and property damage insurance insuring any losses by Exhibitor.
