About HCAA

The Health Care Administrators Association is the nation's most prominent nonprofit trade association that supports the education, networking, resource and advocacy needs of third-party administrators (TPAs), insurance carriers, managing general underwriters, audit firms, medical managers, technology organizations, pharmacy benefit managers, brokers/agents, human resource managers and health care consultants. For nearly 35 years, HCAA has taken a leadership role in legislative advocacy, working to increase its influence with policymakers and other stakeholders in order to transform the self-funding industry and expand its role within healthcare.
