

Are you eager to hone your skills in the self-funding world?
Do you yearn to grow in this competitive, evolving market?
Are you ready to partner with the brightest stars of tomorrow?

YOU MAY BE AN EMERGING LEADER!

HCAA's **Emerging Leaders Program** (ELP) benefits both our young professional members – some of the most energetic and passionate in our industry – as well as our more seasoned professionals who want to continue to grow and enhance their skills. This program will provide unmatched educational programs, on-line learning, discussions with subject matter experts and industry leader mentoring.

Breaking in to a market as demanding as the self-funding sector can be difficult and staying in the sector requires leaders to be current and informed. HCAA's Emerging Leaders Program provides countless opportunities to:

- **Gain** new insights
- **Learn** best practices
- **Network** with peers
- **Access** industry leaders
- **Give back** through volunteerism
- **Be mentored** by association executives
- **Step up** to the plate and become a leader

The Benefits

Emerging leaders will have access to exclusive ELP conference rates, Certified Self Funding Specialist® discounts, dynamic educational resources, executive-level mentoring, top referral contacts, networking opportunities, and much, much more!

If you are career-oriented, desire to have an active leadership role in the self-funding industry, and work for either a member affiliate organization or a third-party administrator, you are eligible to join HCAA's Emerging Leaders Program!
