

**Hennepin County Bar Foundation
2019 Application Questions**

Answers to application questions should be presented in one pdf document saved as “yourorganizationname_2019narrative” and emailed to HCBF@hcba.org, along with the other required documents, by March 1, 2019. Application narrative answers will be read and evaluated by HCBF volunteers. While answers may be any length needed to convey critical points, brevity is appreciated when possible—generally one to three paragraphs should be sufficient to answer most questions.

1. Describe the organization, its history and mission.

2. Describe how the use of grant funds relates to the HCBF mission “promoting equal access to justice for the people of Hennepin County”.

3. Describe the impact in Hennepin County and the specific population served.

4. Describe the specific objectives for use of grant funds and the timeline for achieving these objectives.

5. If a grant fund is awarded, what will this allow the organization to pay for that it otherwise couldn't?

6. Provide the name and qualifications of key staff responsible for the program.
