

The Orange County Bar Association Estate, Guardianship, and Trust Committee Presents

Exploitation of the Elderly

Speaker: Alexander Douglas, Esq.
Shuffield Lowman

This one hour presentation will be on Florida's elder exploitation laws. We will review civil causes of action and civil remedies available to address elder exploitation, who has standing to bring the action, and some recent changes in the law. We will also look at whether Florida should enact a slayer statute for elder abuse.
