

HMGS Director Candidates' Biographies

Ed Miller

My name is Edward Miller and I have been nominated to run for the HMGS board. I have been a member since the early 1990's and feel it is time to give back to this great organization.

I have been a gamer since I was a child as my late father, Edward Miller introduced me to this great hobby at a young age. Along with being a gamer my parents, Ed and Laverne built a very successful toy soldier business so I have been around gaming and toy soldier conventions for most of my life. I have also forged many new friendships with fellow gamers I have met at the conventions.

If elected to the board I will work as hard as I can for the membership to make the overall experience of being a member memorable. I feel there have been many improvements to the conventions that have been implemented but there is always room for improvement. I want each member to leave any attended HMGS event talking about it for weeks! We have such a great bunch of people in this organization and I will listen to member issues that arise and try to the best of my ability to fix them.

Professionally I have been employed as a Police Officer for 24 years and currently hold the rank of Sergeant. As a member of our local PBA I have held the position of both Vice President and Treasurer. I have also been chairperson on multiple fundraisers and I currently oversee the Departments Junior Police Academy.

I am happily married to my wife Maureen for 28 years and have three children, Ryan, Charlotte and Megan. I have been fortunate to pass our hobby to them and Megan attended her first con at Fall-In 2017. We had a wonderful time together and that alone is reason enough for me to do whatever I can to ensure the future of our hobby is passed down for future generations.

I encourage every active member to vote for the upcoming election and let your voice be heard. Please consider me when you cast your ballot and if I am fortunate enough to be elected I will strive to serve the membership to the best of my abilities. Thank You.
