

HISTORICON® 2022 Hobby University Class List

Event numbers start with a 3-digit game start day/hour designation (24hr time) (T09 = Thursday 9am)

THURSDAY

T12:900 : Army Painting, Basic Black, Multi-figure 10mm

Thursday, 12:00 PM, 1.5 hrs, **Students: 8, Location: Conestoga: CO-11**
Teacher: Todd Pressley

Masks Required? No

Description: This class uses the black primer technique to quickly paint figures for the tabletop. The goal is to complete a 10 mm base within the class time. Discussions include how to cover the black base layer with white, red, and yellow. The student will receive baggage or limber with horses and riders to take home as a model to continue using this style of painting. Young persons are welcome if accompanied by an adult also in the class. This class is sponsored by The Wargaming Company.

T12:901 : Dirty and Distressed

Thursday, 12:00 PM, 1.5 hrs, **Students: 8, Location: Conestoga: CO-12**
Teacher: Gregory Zuniga

Masks Required? No

Description: When a soldier has been on the front lines for months (or years!) some basic rules and techniques apply to make him look appropriate. We'll discuss the effect of wear and the elements on cloth, leather, metal and bone, and then do some hands-on practice with adding dirt and decay to your minis. There will be brushes and paint you can use, and you can bring your own prepped mini or we'll have some available.

T12:902 : Budget Troops

Thursday, 12:00 PM, 1.5 hrs, **Students: 8, Location: Conestoga: CO-13**
Teacher: Don Goddard

Masks Required? No

Description: Create hordes of 10mm troop stands for pennies each using plastic canvas/granny grating. Perfect for trying out a new period or army without spending a fortune. Units created will have soldiers roughly 10mm tall, and can include mounted units and artillery.

T12:903 : A Garden Worth Fighting For

Thursday, 12:00 PM, 1.5 hrs, **Students: 8, Location: Conestoga: CO-14**
Teacher: Tim Peaslee

Masks Required? No

Description: A small garden makes a great piece of scenery for your gaming table, and it covers nearly all periods. This class will show you techniques for using assorted materials to create a very nice looking terrain piece.

T14:904 : Army Painting, Multi-figure, Gauls

Thursday, 2:00 PM, 1.5 hrs, **Students: 8, Location: Conestoga: CO-11**
Teacher: Todd Pressley

Masks Required? No

Description: This class covers techniques and tricks to help you get more done, faster. The goal of this class is not to have the greatest looking figure but the greatest looking army. Discussions will include planning your work, workspace efficiency, creating tools, and painting effectively. A little bit of color theory as it applies to army painting. This class will give you something to take home for your use in your style of painting. Young persons are welcome if accompanied by an adult also in the class.

T14:905 : Painting Black and White

Thursday, 2:00 PM, 1.5 hrs, **Students: 8, Location: Conestoga: CO-12**
Teacher: Gregory Zuniga

Masks Required? No

Description: Trying to get those blacks and white colors sharp on uniforms can be difficult. Finding the color to be too gray? Come and join us in this class to talk about and paint what can be considered some of the most difficult colors to paint. Then how to alter these colors to form black and white colors to improve a paint scheme.

T14:906 : Twisted Wire Trees

Thursday, 2:00 PM, 1.5 hrs, **Students: 8, Location: Conestoga: CO-13**
Teacher: Don Goddard

Masks Required? No

Description: Learn how to quickly and cheaply populate your game table with great looking coniferous trees.

T14:907 : Craft Stick Barns & Outbuildings

Thursday, 2:00 PM, 1.5 hrs, **Students: 8, Location: Conestoga: CO-14**
Teacher: Tim Peaslee

Masks Required? No

Description: Coffee stir sticks and craft sticks make excellent material for building barns and outbuildings for your gaming table. Come and learn easy techniques for creating custom farm buildings for your troops to fight over.

T16:908 : Introduction to Weathering

Thursday, 4:00 PM, 1.5 hrs, **Students: 8, Location: Conestoga: CO-11**
Teacher: Dennis Jensen

Masks Required? No

Description:

T16:909 : Foam Shipwrecks

Thursday, 4:00 PM, 1.5 hrs, **Students: 8, Location: Conestoga: CO-13**
Teacher: Don Goddard

Masks Required? No

Description: Do you need a shipwreck or two for your adventure? With some time and simple tricks you can create a custom shipwreck out of foam, twine, and craft sticks.

FRIDAY

F10:910 : Army Painting, Multi-figure, 10mm

Friday, 10:00 PM, 1.5 hrs, **Students: 8, Location: Conestoga: CO-11**
Teacher: Todd Pressley

Masks Required? No

Description: This class covers techniques and tricks to help you get more done, faster. The goal of this class is to create a full 10 mm base within the class time. Discussions will include planning your work, workspace efficiency, creating tools, and painting effectively. The student will receive a base of Napoleonic infantry to take home as a model for continuing in this style of painting. Young persons are welcome if accompanied by an adult also in the class. This class is sponsored by The Wargaming Company.

F10:911 : Dirty and Distressed

Friday, 10:00 PM, 1.5 hrs, **Students: 8, Location: Conestoga: CO-12**
Teacher: Gregory Zuniga

HISTORICON® 2022 Hobby University Class List

Event numbers start with a 3-digit game start day/hour designation (24hr time) (T09 = Thursday 9am)

Masks Required? No

Description: When a soldier has been on the front lines for months (or years!) some basic rules and techniques apply to make him look appropriate. We'll discuss the effect of wear and the elements on cloth, leather, metal and bone, and then do some hands-on practice with adding dirt and decay to your minis. F10:912 : A Garden Worth Fighting For

Friday, 10:00 PM, 1.5 hrs, Students: 8, Location: Conestoga: CO-14

Teacher: Tim Peaslee

Masks Required? No

Description: A small garden makes a great piece of scenery for your gaming table, and it covers nearly all periods. This class will show you techniques for using assorted materials to create a very nice looking terrain piece.

F12:913 : Army Shield Painting, Gauls

Friday, 12:00 PM, 1.5 hrs, Students: 8, Location: Conestoga: CO-11

Teacher: Todd Pressley

Masks Required? No

Description: A common issue amongst painted armies is flat and lifeless shields. This class teaches how to paint a Gallic shield pattern. Complete your Gallic army painting figure. This technique is applicable to many dark and middle age armies. The student will learn shading techniques that add depth to patterns and add interest to the miniature. This is an army painting class that helps get more patterns done while still providing a varied pattern to your army or warband. Young persons are welcome if accompanied by an adult also in the class.

F12:914 : Painting Faces and Flesh

Friday, 12:00 PM, 1.5 hrs, Students: 8, Location: Conestoga: CO-12

Teacher: Gregory Zuniga

Masks Required? No

Description: This class will give you great techniques for painting that extra tricky part of the mini, the face, and how to get a just right skin tone. This is an intermediate class and knowledge of blending is helpful.

F12:915 : Pink Foam Building Techniques

Friday, 12:00 PM, 1.5 hrs, Students: 8, Location: Conestoga: CO-14

Teacher: Tim Peaslee

Masks Required? No

Description: Building terrain with pink (or blue) foam has become very popular. This class will show you the common tools used and teach you the basic techniques to create gaming terrain from insulation foam.

SATURDAY

S10:916 : Flag Painting by Cheating

Saturday, 10:00 PM, 1.5 hrs, Students: 8, Location: Conestoga: CO-11

Teacher: Todd Pressley

Masks Required? No

Description: This class discusses how to create painted banners for your army without being a master painter. The student will learn about tools used to create banners. Techniques to leverage our photo and graphics references to create banners. The goal of this class will be to create a painted banner with battle honors using supplies for this class. This is an

intermediate painting class, familiarity with paints and fine brushes is required. Young persons are welcome if accompanied by an adult also in the class.

S10:917 : Pink Foam Building Techniques

Saturday, 10:00 PM, 1.5 hrs, Students: 8, Location: Conestoga: CO-14

Teacher: Tim Peaslee

Masks Required? No

Description: Building terrain with pink (or blue) foam has become very popular. This class will show you the common tools used and teach you the basic techniques to create gaming terrain from insulation foam.

S12:918 : Army Painting, Up a notch, Multi-figure 10mm

Saturday, 12:00 PM, 1.5 hrs, Students: 8, Location: Conestoga: CO-11

Teacher: Todd Pressley

Masks Required? No

Description: This class explores 10 mm figures as historical models worthy of a little extra time. The class develops tabletop quality 10 mm pieces with just a bit more effort than block paint and wash. This class concentrates on getting robust shadows and highlights that make the unit pop! The student will paint some troops to take home as an example of this style of painting. This is an intermediate painting class, familiarity with paints and fine brushes is required. Young persons are welcome if accompanied by an adult also in the class. This class is sponsored by The Wargaming Company.

S12:919 : Shingles and Thatch

Saturday, 12:00 PM, 1.5 hrs, Students: 8, Location: Conestoga: CO-14

Teacher: Tim Peaslee

Masks Required? No

Description: The roof of a model is one of the first things others will notice about your model buildings. There are lots of techniques to build an effective looking roof. This class will discuss and show examples of the many techniques for creating an attractive roof for your models. These techniques range from simple cereal box cut to more labor intensive techniques such as teddy bear fur, cast shingles, and rope/chip brush thatch.

S14:920 : Painting Faces and Flesh

Saturday, 2:00 PM, 1.5 hrs, Students: 8, Location: Conestoga: CO-13

Teacher: Gregory Zuniga

Masks Required? No

Description: This class will give you great techniques for painting that extra tricky part of the mini, the face, and how to get a just right skin tone. This is an intermediate class and knowledge of blending is helpful.

S16:921 : Earth and Stone

Saturday, 4:00 PM, 1.5 hrs, Students: 8, Location: Conestoga: CO-13

Teacher: Gregory Zuniga

Masks Required? No

Description: Whether it is bricks, castle wall, back wood trail, or trench, stone and earth feature in a large number of bases, displays, and terrain features. Join Greg as he teaches a shaded and wet blending technique to get it looking natural in little time.

S20:922 : Iron Paintbrush

Saturday, 8:00 PM, 4 hrs, Students: 16, Location: Commonwealth Foyer: Bottom of Escalator

Teacher: Todd Pressley

HISTORICON® 2022 Hobby University Class List

Event numbers start with a 3-digit game start day/hour designation (24hr time) (T09 = Thursday 9am)

Masks Required? No

Description: If you've never seen or heard of Iron Paintbrush (where have you been?), try to imagine The Iron Chef merged with Chopped, but using paints and miniatures. The Hobby University Staff sets a theme, provides paints, brushes, glues, miniatures, and other items. Each of the teams strive to assemble the most creative representation of the theme in the allotted time. Sounds easy, right? Well, the Hobby U team will be sure to throw some curve balls, giving you the chance to win extra points or get additional benefits such as extra time or colors – or something else that no one else will have. Each team consists of 2 to 4 people, join us Saturday at 8pm for a great time.
