

PRIVATE DUTY 101: EXPAND YOUR CERTIFIED AGENCY'S HORIZONS!

HCAF

Home Care Association of Florida
RESOURCES, EDUCATION, ADVOCACY

OVERVIEW

Interested in providing Private Duty services and just don't know where to start? Regulations for Certified agencies are very different than regulations for Private Duty. Most administrators of Certified agencies are so used to the heavily restrictive federal regulations, they just can't wrap their brains around what does and doesn't apply to Private Duty. Join HCAF's Director of Private Duty Services for a half-day workshop and learn all about the options you have with your current license, as well as the big differences in regulations.

OBJECTIVES

Attendees of this workshop will be able to:

- Explain the pros and cons of providing private duty services with a certified license
- Describe detailed information about every option currently available to providers
- Learn step-by-step ways of opening a licensed-only agency
- Discuss current Department of Labor and wage and hour laws to be sure you don't fall victim to a joint employer issue
- And more!

MEET THE SPEAKER - KRISTEN WHEELER

Kristen Wheeler is the Home Care Association of Florida's Director of Private Duty Services. Prior to joining HCAF, Kristen spent more than 10 years in Private Duty home care in Florida. Initially, she launched a Private Duty department for a Certified agency, then eventually opened a licensed-only, non-clinical home care agency. Kristen came to work with HCAF in the summer of 2016 and enjoys sharing her experiences from her agency days with others.

CONTINUING EDUCATION
