

# Begin With Basics

## Beginning ICD-10 Coding for Home Health

Monday, March 4, 2019 • 8:30 a.m. – 4:30 p.m. ET • Registration at 8:00 a.m.  
Four Points Miami Airport West, 3570 NW 74th Ave., Miami, FL 33122

### PROGRAM OVERVIEW

Have you been interested in beginning a career in home health and hospice coding? In this interactive class, you will learn the basics of assigning ICD-10-CM coding for home health and hospice. You will understand how it relates to billing, audits, OASIS, and compliance, and why it is so important to have accurate coding on your agency claims. You will learn the guidelines and conventions, and ethical and legal considerations. We will also teach you how to properly look up codes in your manual. Bring a current 2019 ICD-10 CM manual with you to class.

### OBJECTIVES

- The learner will understand the basics of coding and payment conditions
- The learner will be able to understand the basic guidelines and conventions.
- The learner will be able to understand the legend and the meanings in the coding manual.
- The learner will be able to apply the guidance when assigning a code to an assessment.

### MEET THE SPEAKER

**J'non Griffin**, RN, MHA, WCC, HCS-D, HCS-H, COS-C, President of Home Health Solutions, is a 30-year veteran of home care as a registered nurse. She received her Master's Degree in Health Care Administration in 2005. She has experience as a field nurse, director, and executive with home health and hospice agencies, both large and small. She has served as Director of Staff Development and Appeals for home health and hospice agencies. She has taken part in mock surveys for agencies and prepared agencies for accreditation. She has been directly involved in accreditation surveys, acquisitions, and many regulatory crises with state survey agencies and the intermediary.

### CONTINUING EDUCATION

This program will provide 6.5 continuing education units for skilled nursing, occupational therapy, and speech therapy.
