November is National Hospice and Palliative Care Month

PRECONFERENCE: Monday, October 28

The Regulatory Environment: Recent and Upcoming Changes

A full day of regulation and reimbursement education for hospice leaders, managers, quality, regulatory and compliance teams and clinicians presented by national leaders Judi Lund Person of the National Hospice and Palliative Care Organization (NHPCO) and Corrine Ball of National Government Services (NGS)! The topics range from the reports from Office of the Inspector General to the 2020 Hospice Wage Index Final Rule to Targeted Probe and Educate (TPE) to Hospice Billing and everything in between.

For more details, visit, www.hospicefed.org/event/2019EC
