Pathways Home Colorado

Bus tour and conversations with partners around the state:

**What
have we
learned?**

- Homelessness manifests differently around the state
- Diverse regional issues and needs
- Misconceptions about causes & solutions
- Innovative approaches across Colorado

*The
4Ps*

Pathways Home Colorado

**How has
what we
have
learned
informed
our role?**

Role of state government:

- Partner @ federal, local levels
- Increase capacity in regions and localities
- State supported local solutions

Pathways Home Colorado

Vision

***All Coloradans
have a place to
call home***

Accomplished by

- ***Building Capacity***
- ***Creating Solutions***

- **Goals**

- Encourage six regional strategies via a coordinated state plan by January 2013;
- Creating housing solutions for homeless veterans by January 2015; and
- Creating housing solutions for homeless families, youth, chronic, and other populations by January 2020.

Building Capacity

*Address state
policies/practices which
contribute to homelessness*

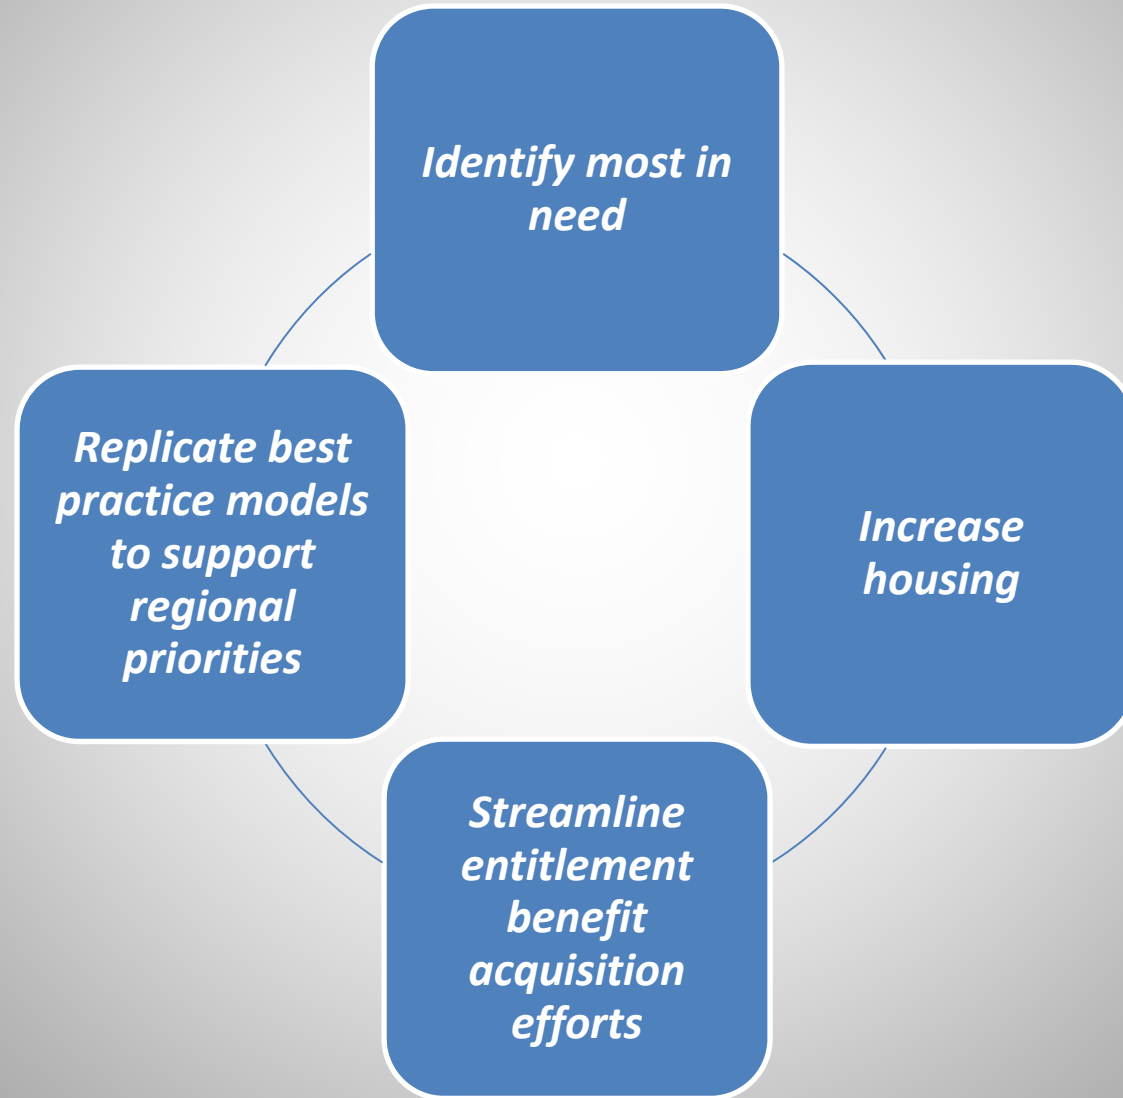

*Improve data systems
and evaluation measures*

*Deploy measureable
strategies to address
homelessness*
