

HOUSTON CONTRACTORS ASSOCIATION GROUP MEDICAL INSURANCE PROGRAM

MEMBER BENEFIT

The HCA group medical program has recently been added to the other statewide association plans managed by The Stevenson Group. These plan designs and rates are exclusive to member companies and are not accessible through the normal market.

They have saved other Association Member Companies millions of dollars throughout the state over the last few years. We are very excited to be able to bring this to our member companies. The Stevenson Group is one of the premiere Employee Benefit Agencies in the state.

They also offer additional free services under the plan, including Employee Handbook development, ACA reporting, Cobra Administration and more...

WHAT CUSTOMERS ARE SAYING

“Our former Agency told us we were getting a good deal with Blue Cross. We had been with Blue Cross for over 10 years. We saved over \$100,000 per year and our employees like the Plan a whole lot better. I wish we had looked at this plan sooner.”

“The Association program not only saved us over \$30,000 per year on our premiums, but our employees also love the benefits provided by the plan.”
