Jeremy Campos

Executive Panelist

Jeremy Campos is Vice President of Human Resources for the Miami Dolphins and Hard Rock Stadium. He oversees performance management, recruiting, employee engagement, benefits, and other HR functions across an enterprise that includes the Miami Dolphins, Hard Rock Stadium, the Miami Open, and the Formula 1® Crypto.com Miami Grand Prix.

Jeremy's career uniquely spans both finance and human resources, giving him a valuable perspective on the connection between people decisions and business performance. His experience offers HR leaders an inside look at building adaptable teams, supporting highly visible operations, and creating consistent employee experiences within a complex, fast-moving organization.

Dr. Dale Laing-Hall

Executive Panelist

Dr. Dale Laing-Hall is a former Chief Human Resources Officer, emotional intelligence strategist, leadership coach, speaker, bestselling author, and founder and CEO of Dale Reports. With more than 17 years of HR and organizational leadership experience, she helps leaders uncover the human factors that quietly undermine culture, trust, and performance.

Through her work, Dr. Dale equips organizations to move beyond performative compliance and build emotionally intelligent systems that reduce burnout, strengthen leadership accountability, and create healthier, higher-performing workplaces. Her approach challenges leaders to look beneath the surface and address the issues that traditional policies alone cannot solve.
