

HR Florida 2020 Annual Conference Still On

Live event will have a virtual component to accommodate all interested attendees

Orlando, Fla. – (June 1, 2020) – The [HR Florida State Council](#) is pleased to announce the 42nd annual conference will be held from August 30th – September 2nd at the Gaylord Palms Resort & Convention Center in Orlando, Florida. The Council is excited to share that it has also created an online component to accommodate attendees who wish to experience the conference from the comfort of their homes or cannot make the in-person event.

The Council feels confident in its decision to move forward as planned as well as offer this new virtual experience. For those who attend the onsite conference, the Gaylord Palms Resort & Convention Center has implemented necessary measures to ensure the safety of its guests and visitors. The Council will also incorporate physical distancing into onsite activities. The online portion of the event will provide access to the live keynote presentations, pre-recorded concurrent sessions as well as a virtual expo hall and networking opportunities.

“This year’s conference will be the same great experience our returning attendees know, love and expect,” said HR Florida State Council President Heather Deyrieux. “The Council is elated to offer this hybrid approach that will allow interested parties to join virtually as well as enable content to be recorded and provide optional access post-conference for those who attend in-person.”

Representing virtually every industry and size of business, this onsite and virtual event is a prime opportunity for professionals to network, grow and learn about the human resources industry. Additional details related to the conference will be released later this month. To learn more and/or register, please visit <https://hrfloridaconference.org/>.
