

-BIO - EDITED

Peter Caspari is the State of Florida Director of Employer Outreach for the Department of Defense, Employer support of the Guard and Reserves, (ESGR) Agency. In his capacity, Mr Caspari travels throughout the State of Florida speaking with employers about ways that they can support their citizen soldier employees who serve in the National Guard and Reserves.

As a community advocate Mr. Caspari has been actively involved in support of our military service members, veterans and wounded heroes in many local and regional initiatives. He has been instrumental in establishing the National "Our Community Salutes" initiative here in the State of Florida to honor and recognize high school seniors who have volunteered to enlist in the military upon graduation and is the President of the Broward Chapter. Caspari serves as a member of the Board of Directors of Legal Aid Services of Broward and Coast to Coast Legal Aid. He is a member of the United Way of Broward County, Mission United Advisory Council that provides services to our Veterans.

He is the Chairman of the US Army Recruiting Battalion Miami Grassroots Outreach Program of Broward County. The mission of the program is to support Army values through the promotion of Army initiatives, outreach programs and enlistment opportunities. Recently, Caspari was selected as "Volunteer of the Year" by the US Army Miami Recruiting Command.

Mr. Caspari's passion as a community advocate with an eagerness to help and assist our service members, Wounded Heroes and Veterans is continually evolving. He believes in the philosophy that as a Community, the best way we can serve to support our military is through local citizen, grass-roots advocacy initiatives.
