

OUTSIDE THE WIRE

A U.S. MARINE'S COLLECTION
OF
COMBAT POEMS
& SHORT STORIES

SGT JUSTIN T. EGGEN USMC

'Outside the Wire: a U.S. Marines Collection of Combat Poems & Short Stories' is a soulsearing collection of

poems and stories from the front lines in Afghanistan. Author SGT Justin T. Eggen USMC, experienced two combat deployments in Afghanistan, fighting the Taliban (and occasionally the weather) with his brother warriors. Back from the front, he wrote this masterful description of the realities of war. Many of the poems are haiku, a form at which he shows great adeptness. Mixed in with the poems are three slice-of-life stories dealing with the everyday life of Marines in combat.

This book is not to be missed.
