

## IAAP EVENT CORPORATE DISCOUNT FORM

IAAP offers a corporate discount for all of our educational conferences. Purchase five registrations and receive half-off the sixth registration. For Summit corporate discounts, you may opt to receive a free virtual registration in lieu of half-off of the sixth registration.

To qualify, registrants must be employed by the same company and one payment must be made for all registrations. No other groups qualify as a company. Once this form is received and processed an invoice with the discounts applied will be provided and a unique group discount code will be issued. All registrants of the corporate group will then be required to register for the event using the discount code. Please allow up to 2 weeks for processing once submitted.

If you are interested in hosting a virtual Summit group at your organization please contact us at [events@iaap-hq.org](mailto:events@iaap-hq.org) for special discount offers.
