

In Memoriam

Dr. Sherrill Berryman Johnson

December 5, 1947 – March 24, 2010

It is with a heavy heart that I inform you of the passing of **Dr. Sherrill Berryman Johnson**. Despite her recent attendance at the 2010 IABD Conference in Philadelphia, PA her condition worsened, and she transitioned from her battle with breast cancer this afternoon, March 24, 2010 in her home surrounded by her closest family and friends. You will be happy to hear that her final few weeks were full of joy and laughter; and despite her condition, she felt little pain and did not endure any suffering. I am coordinating her memorial service, and a date will be forthcoming.

Peace and Blessings,

Denise Saunders Thompson
Chairperson
