

SUMMER SPECIAL!

1+1=300

1 New Staff Pharmacist Membership + 1 New Technician = \$300

IACP's 2013 Membership Campaign kicked off in June and the voice of compounding is growing daily! NOW is the time for you and your staff to be a part of that collective voice of compounding.

You can help grow that collective voice by participating in the IACP Be One Get One Campaign with a summer special of 1 new staff pharmacist membership + 1 new technician membership for a bundled price of \$300*.

Ever thought of gifting your staff with a membership? Or encouraging them to join the only association that represents pharmacy compounders in the legislative & regulatory affairs arena? NOW is the time to do it!

Together we stand to support pharmacy compounding on the local, national, and international levels. We need you to step up to the plate and help us make sure that compounding pharmacy has a bright future!

*Rate applies to first year membership, cannot be combined with other discounts, and can be used on multiple new staff pharmacist and new technician memberships.

Yes! Please register my staff pharmacists and technicians as IACP Members!
