

YES! I know the stakes are high and I want to protect my privilege to compound.

Compounding pharmacists have the privilege to advance the quality of patient care, helping those who are underserved, and saving lives – one patient at a time. IACP’s Preserve your Patients’ Access Fund makes this privilege and goal possible through its protection efforts. Join us today and become part of the solution. IACP is working to Protect, Promote & Advance Pharmacy Compounding!

Protect your privilege to compound. Contribute to IACP’s Preserve your Patients’ Access Fund today!

Fighting these critical legal battles to protect your rights to pharmacy compounding is costly, but we can’t afford not to fight. Please support the IACP’s Preserve your Patients’ Access Fund by contributing today. We need to act quickly and decisively. IACP’s mission is to protect, promote and advance the art and science of pharmacy compounding.
