## IADMS 29<sup>th</sup> Annual Conference Support and Exhibit Prospectus

The International Association for Dance Medicine & Science (IADMS) will hold its 29<sup>th</sup> Annual Conference on October 24-27<sup>th</sup> at the Doubletree by Hilton in the Place de Arts complex of Montreal, Quebec, Canada. We invite your organization to consider the many exhibition, support, and advertising opportunities associated with this conference. For further information about the Annual Conference, please visit [www.iadms.org/2019](http://www.iadms.org/2019).

IADMS's Annual Conference has a longstanding tradition of featuring a collection of individual research presentations that bring together constituents from all disciplines of dance medicine, science, and education to network and exchange information. Over 400 delegates are expected to attend in Montreal consisting of scientists, researchers, educators, physicians, allied health professionals, and students. These delegates arrive ready to not only learn the latest advances in the field from a select group of accepted presenters and invited keynote speakers, but also to visit the exhibit hall to purchase and learn about products and services. This four-day exhibition will be held as part of the Annual Conference. If your organization supplies goods or services to anyone with interests in dance, IADMS encourages you to take advantage of this major opportunity. In addition, you may wish to make an impact on delegates by considering one or more of the supporter and advertising opportunities available as listed in this prospectus.

The opportunities outlined cater to every budget and provide the flexibility to choose a package that meets your marketing objectives. Packages may also be tailored to suit your specific marketing needs, and opportunities to underwrite specific meeting events are available. If you have any queries with regards to exhibiting, supporting, or advertising at the Annual Conference please contact the Chair of our Development Committee, Ms. Andrea Kozai at [Development@iadms.org](mailto:Development@iadms.org)

IADMS hopes you will join us as this is an Annual Conference not to be missed.

We look forward to hearing from you!

Peter E. Lavine, MD  
President IADMS (2018-2020)
