

IDC AUTHOR AGREEMENT
For Newsletters, Seminar Materials and Other Writings

In consideration for use of materials in an IDC publication and/or participation as a speaker at an IDC-sponsored event, and not for any monetary payment, I agree that:

1. Any work that I send to the Illinois Association of Defense Trial Counsel (“IDC”) is an original work that has not been previously published or submitted for publication, and that the work abides by all copyright laws. Any work that includes materials written by others will be clearly labeled to show its origin and will be submitted for use only with the appropriate permission of the copyright holders. I understand that upon publication, all rights to the work will remain with the author except as provided in this Agreement.

2. IDC is hereby given the nonexclusive right to publish or republish this work (in part or in its entirety) in printed, audio-visual, electronic, or other forms of media and databases, including but not limited to media and databases maintained by others.

3. IDC may make a video and audio recording of my presentation. IDC, and entities whom IDC contracts or authorize, are given the exclusive right to distribute the recording and any copies thereof. I hereby grant to IDC, and entities whom IDC contracts or authorize, a limited, non-exclusive, perpetual license to make, display, perform and distribute copies of the recording and any accompanying written or audio-visual materials, whether at the time of the presentation or at a later time via an audiovisual or other format. IDC is authorized to make, or authorize making of, changes to the presentation and accompanying materials to a format consistent with the manner in which they will be distributed.

4. I hereby grant IDC an exclusive, non-revocable, perpetual license to use my name, image, and persona, solely in connection with the production, marketing, and advertising of the publication or event which is the subject of this Agreement. I hereby release IDC, and any entities whom IDC contracts or authorizes, from any liability arising out of my right of publicity or other rights arising from the uses referenced in this Agreement.
