OUR MISSION

Educate and equip electrical professionals while unifying the industry to promote electrical safety. Electrical Inspectors, Multi-hat Inspectors, Electrical Installers and Contractors, Testing Agencies, Standards Organizations, Manufacturers, and Distributors all working together to ensure the public safety.
Originally composed solely of electrical inspectors, IAEI has expanded its membership to other market segments such as Multi-hat Inspectors, Real Estate Inspectors, Electrical Installers, Corporate Electrical Contractors, Home & Commercial Builders, and Building Maintenance Supervisors.

IAEI membership allows you to meet a wealth of knowledgeable like-minded professionals who can become your strongest allies when support, expertise and resources are needed. Access a private network of member-only discussion groups where you can seek practical answers and solutions from your peers.

IAEI has Chapters and Divisions located across the United States and Canada that allow you to attend meetings, conferences, and networking events at a local level.
