

Is your funeral home hosting a Holiday Remembrance Service this year?

IFDA wants to help you promote your Holiday Remembrance Services to your communities and surrounding areas. Let IFDA know the details of your event, and we will work with you to help spread the word through Facebook, local media, and the IFDA website.

We will create a master list of Holiday Remembrance Services around the state of Iowa and make it available to all.

Please email information to Communications Coordinator Anna Nielsen at anielsen@iafda.org or fax to the IFDA Office at 515.270.1569.
