

IAMCP Announces Finalists in the 2018 Global Partner-to-Partner Awards Program

International Association of Microsoft Channel Partners Congratulates All Finalists in the 2018 IAMCP Member Awards Program. Winners and Runners-Up to be announced at Microsoft Inspire in Las Vegas Tuesday, July 17th at 4 PM.

REDMOND, Wash. – June 28, 2018 – The International Association of Microsoft Channel Partners is delighted to recognize the top partners in the IAMCP global community for achieving excellence in partner-to-partner (P2P) solutions that drive customer value.

“Partners continue to drive innovation by taking advantage of the new opportunities that digital transformation and cloud technologies enable,” said award committee chairperson and former IAMCP President, Gail Mercer-MacKay. “Microsoft continues to build the best platforms for partners to invent new solutions that enable enterprises to thrive. Our IAMCP partner ecosystem encourages brilliant minds to work together where all of us can achieve more than what any of us could achieve individually.”

Partners submitted applications that identify the innovation, methods and new solutions they are co-creating to help customers compete. Solutions submitted include cloud computing, marketing innovation, collaboration and messaging, data analytics and business intelligence offerings. Regions represented include APAC, LATAM, EMEA, US and Canada. Through partnering, IAMCP members are shaping how businesses go to market around the world.

Finalists include ActionPoint, FMT Consultants, T4S Partners, AssureSign, New Horizons Learning Group, C3 Integrated Solutions, Bond Consulting Services, CEM Business Solutions, Dynamic Consultants Group, General Networks, ITK Solutions Group, Nerdio, Wintellect, Profisee, Queue Associates, Inc., Spektra Systems LLC, Metisc, VeriPark, Corporativo IT, Point Alliance Inc., Chaumont Systems Dev Inc (CSDi), Full Contact Selling, Dapasoft, ITCloud.ca, Optimus Information, SherWeb, RackNap, TechGyan, Unissoft Technology Co Ltd., Mint Management Technologies, Exclaimer, Insight Technology Solutions AB, Acando AB, AccTech Systems, PE Dintsis, Connecting Software KG, PE Bredikhin, CAD R&D Progress, The Cloud Factory, Technology Associates, DAQUAS, Mercato Solutions Ltd., Kabel, Appxite, 1ClickFactory, Trustmarque, Hilal Computers Bahrain and Netsol Technologies.

About IAMCP

The International Association of Microsoft Channel Partners (IAMCP) is the leading independent global organization for business networking in the Microsoft partner eco-system with 100+ chapters in over 40 countries around the world. IAMCP members represent the trusted, independent voice of the Microsoft partner community.

Microsoft Partners that are part of the IAMCP community typically enjoy significantly higher revenues and higher margins than their counterparts outside of the community. Members benefit from P2P relationships with other trusted members to generate these higher margins and deliver exceptional solutions and services to their customers.

The IAMCP Member Awards Program

Launched in 2015, the IAMCP Awards Program is designed to encourage and recognize Association members for the outstanding, innovative and creative products and services they deliver through trusted P2P and channel relationships. Winners and finalists benefit from increased recognition through press and social media. The winners will be announced at a special ceremony to be held during Microsoft Inspire 2018, which this year is being held in Las Vegas, Nevada.
