Thank you for your interest in IAP2's Foundations Trainer Preparation program. The IAP2 International Board approved seven Guiding Principles for this Program:

1. Align with IAP2’s Core Values and Code of Ethics
2. Provide transparent processes and policies
3. Increase access to entry
4. Standardize assessment and evaluation
5. Integrate best practices in training and development
6. Maintain IAP2’s established reputation for excellence
7. Provide an accessible pathway to successful completion

Please read the following instructions carefully before beginning the online application. If you have any questions about the application, please contact IAP2 International’s Professional Development Manager at pdm@iap2.org.

- You will need several pieces of information to complete the application. We recommend you prepare your responses in advance before starting the online application. The following pages list all the information that is needed to complete the application.

- Most questions will require you to type directly into the online application form. You may copy-and-paste your responses to those questions if you prepared them in advance.

- Three questions (see Criteria 5, 6, and 7) will require you to upload forms that you complete in advance. Some applicants may need to submit an additional form to respond to Criterion 4. Links to the forms are provided in the instructions for each criterion. Clicking the links will download the form to your device. Complete the forms using the word processing software you normally use. Name each form following the instructions in the document. Save the completed form in one of the following formats: Adobe Acrobat (pdf), Microsoft Word (doc, docx), Open Office (odf), or Text (rtf, txt).
you do not have access to one of these programs, please contact IAP2 International’s Professional Development Manager at pdm@iap2.org to make other arrangements.

- Please complete the application in English. If you need to provide your responses in another language, please contact IAP2 International’s Professional Development Manager at pdm@iap2.org before completing the application to ensure we can accommodate your needs.

- To allow stand-alone assessment of each criterion, please do not cross-reference information provided in another criterion. Repeat information as necessary to allow your response to each criterion to be evaluated independently from your other responses.

- Note that although your writing is not being assessed in the application, your ability to convey information accurately, clearly, and concisely will be considered since competent communication is critical for effective teaching and learning.

- To allow the Selection Panel to conduct a blind review, IAP2 staff will redact personally identifying information in your responses, including name, gender, age, and ethnicity.

- To apply to the program, you must complete the online application at: Application for Trainer Candidate Preparation

Payment. Once we have confirmed your application is complete, IAP2 staff will send you the link to pay the refundable application fee of USD $375. The fee will be discounted to 40% of the rates for applicants from Developing Countries as designated by the United Nations Conference on Trade and Development (UNCTAD).

Scoring and Acceptance. Three quality standards have been established for each criterion: Level 3 (3.0 points) is full acceptance. Level 2 (2.0–2.9 points) is provisional acceptance. Level 1 (1.0–1.9 points) is developing toward acceptance. Applicants earning 21 points receive full acceptance into the program. Applicants earning a score of 14.0-20.9 points receive provisional acceptance. Applicants who are provisionally accepted will have 12 months to achieve full acceptance for all criteria. All applicants will be notified by email whether they are accepted, provisionally accepted, or developing toward acceptance, and will receive a copy of their scores and written feedback from the Selection Panel. All applicants are provided the right to appeal the Selection Panel’s decision.
