

Dear Colleagues,

Thank you for registering for the Rehab CIC in the upcoming SYTAR June 13th. We're excited to keep on building our interprofessional skills as a community. In order for you to fully participate, we ask you to bring the following:

1. Business cards
2. Pen and paper to capture new ideas and plan your next action steps for when you return home.
3. Single paper copy of any materials you've produced in interprofessional efforts in the past or have ready for the future (workshop flyers, social media promo, teaching in professions other than yours, collaborative research efforts, your business promotion to other professions, etc.).

The afternoon begins at 1:30 pm sharp in Salon C. Please write Matt directly at [matt@yogatherapy.com](mailto:matt@yogatherapy.com) with any additional questions.

We're looking forward to meeting new friends and reconnecting with old ones.

Together we can work to make yoga therapy a respected and recognized profession ...and have fun doing it!

See you in Newport Beach!

Staffan and Matt
