Old Man

[Neil Young](#)

Old man look at my life
I'm a lot like you were
Old man look at my life
I'm a lot like you were

Old man look at my life
Twenty four and there's so much more
Live alone in a paradise
That makes me think of two

Love lost, such a cost
Give me things that don't get lost
Like a coin that won't get tossed
Rolling home to you

Old man take a look at my life
I'm a lot like you
I need someone to love me
The whole day through
Ah, one look in my eyes
And you can tell that's true

Lullabies, look in your eyes
Run around the same old town
Doesn't mean that much to me
To mean that much to you

I've been first and last
Look at how the time goes past
But I'm all alone at last
Rolling home to you

Old man take a look at my life
I'm a lot like you
I need someone to love me
The whole day through
Ah, one look in my eyes
And you can tell that's true

Old man look at my life
I'm a lot like you were
Old man look at my life
I'm a lot like you were

Ticket to Ride
[The Beatles](#)

I think I'm gonna be sad
I think it's today, yeah
The girl that's driving me mad
Is going away

She's got a ticket to ride
She's got a ticket to ride
She's got a ticket to ride
But she don't care

She said that living with me
Is bringing her down yeah
For she would never be free
When I was around

She's got a ticket to ride
She's got a ticket to ride
She's got a ticket to ride
But she don't care

I don't know why she's ridin' so high
She ought to think twice
She ought to do right by me
Before she gets to saying goodbye
She ought to think twice,
She ought to do right by me
I think I'm gonna be sad
I think it's today yeah
The girl that's driving me mad
Is going away, yeah

She's got a ticket to ride
She's got a ticket to ride
She's got a ticket to ride
But she don't care

I don't know why she's ridin' so high
She ought to think twice
She ought to do right by me
Before she gets to saying goodbye
She ought to think twice,
She ought to do right by me
She said that living with me
Is bringing her down, yeah
For she would never be free
When I was around

Ah, she's got a ticket to ride
She's got a ticket to ride
She's got a ticket to ride
But she don't care

My baby don't care, my baby don't care
My baby don't care, my baby don't care
My baby don't care, my baby don't care

Wasted on the Way
[Crosby, Stills & Nash](#)

Look around me, I can see my life before me
Running rings around the way it used to be
I am older now I have more than what I wanted
But I wish that I had started long before I did

And there's so much time to make up everywhere you turn
Time we have wasted on the way
So much water moving underneath the bridge
Let the water come and carry us away

Oh when you were young did you question all the answers
Did you envy all the dancers who had all the nerve?
Look round you know, you must go for what you wanted
Look at all my friends who did and got what they deserved

So much time to make up everywhere you turn
Time we have wasted on the way
So much water moving underneath the bridge
Let the water come and carry us away

So much love to make up everywhere you turn
Love we have wasted on the way
So much water moving underneath the bridge
Let the water come and carry us away
Let the water come and carry us away

Yer So Bad,
Tom Petty

My sister got lucky, married a yuppie
Took him for all he was worth
Now she's a swinger dating a singer
I can't decide which is worse

[Chorus]
But not me baby, I've got you to save me
Oh, yer so bad, best thing I ever had
In a world gone mad, yer so bad

[Verse 2]
My sister's ex-husband can't get no lovin'
Walks around dog-faced and hurt
Now he's got nothin', head in the oven
I can't decide which is worse

[Chorus]
But not me baby, I've got you to save me
Oh, yer so bad, best thing I ever had
In a world gone mad, yer so bad

[Chorus]
Oh, but not me baby, I've got you to save me
Oh, yer so bad, best thing I ever had
In a world gone mad, yer so bad

[Chorus]
Oh, yer so bad, best thing I ever had
In a world gone mad, yer so bad

Bad Moon Rising
[Creedence Clearwater Revival](#)

I see a bad moon a-rising
I see trouble on the way

I see earthquakes and lightnin'
I see bad times today
Don't go 'round tonight
It's bound to take your life
There's a bad moon on the rise

I hear hurricanes a-blowing
I know the end is coming soon
I fear rivers over flowing
I hear the voice of rage and ruin

Don't go 'round tonight
It's bound to take your life
There's a bad moon on the rise

I hope you got your things together
I hope you are quite prepared to die
Look's like we're in for nasty weather
One eye is taken for an eye

Oh don't go 'round tonight
It's bound to take your life
There's a bad moon on the rise
There's a bad moon on the rise

Have You Ever Seen the Rain
[Creedence Clearwater Revival](#)

Someone told me long ago
There's a calm before the storm
I know it's been comin' for some time
When it's over so they say
It'll rain a sunny day
I know shinin' down like water

I want to know
Have you ever seen the rain?
I want to know
Have you ever seen the rain
Comin' down on a sunny day?

Yesterday and days before
Sun is cold and rain is hard
I know been that way for all my time

'Til forever, on it goes
Through the circle, fast and slow,
I know it can't stop, I wonder

I want to know
Have you ever seen the rain?
I want to know
Have you ever seen the rain
Comin' down on a sunny day?

Yeah

I want to know
Have you ever seen the rain?
I want to know
Have you ever seen the rain
Comin' down on a sunny day?

Norwegian Wood (This Bird Has Flown)
[The Beatles](#)

I once had a girl
Or should I say she once had me
She showed me her room
Isn't it good Norwegian wood?

She asked me to stay
And she told me to sit anywhere
So I looked around
And I noticed there wasn't a chair

I sat on a rug biding my time
Drinking her wine
We talked until two and then she said
"It's time for bed"

She told me she worked
In the morning and started to laugh
I told her I didn't
And crawled off to sleep in the bath

And when I awoke I was alone
This bird had flown

So I lit a fire
Isn't it good Norwegian wood?

Closer to Fine

[Indigo Girls](#)

I'm tryin' to tell you somethin' 'bout my life
Maybe give me insight between black and white
And the best thing you've ever done for me
Is to help me take my life less seriously
It's only life after all, yeah

Well darkness has a hunger that's insatiable
And lightness has a call that's hard to hear
I wrap my fear around me like a blanket
I sailed my ship of safety 'til I sank it
I'm crawling on your shores

And I went to the doctor, I went to the mountains
I looked to the children, I drank from the fountains
There's more than one answer to these questions
Pointing me in a crooked line
And the less I seek my source for some definitive
The closer I am to fine, yeah
The closer I am to fine, yeah

And I went to see the doctor of philosophy
With a poster of Rasputin and a beard down to his knee
He never did marry or see a B-Grade movie
He graded my performance, he said he could see through me
I spent four years prostrate to the higher mind
Got my paper and I was free

I went to the doctor, I went to the mountains
I looked to the children, I drank from the fountains
There's more than one answer to these questions
Pointing me in a crooked line
And the less I seek my source for some definitive
The closer I am to fine, yeah
The closer I am to fine, yeah

I stopped by the bar at three A.M.
To seek solace in a bottle, or possibly a friend
And I woke up with a headache like my head against a board

Twice as cloudy as I'd been the night before
And I went in seeking clarity

I went to the doctor, I went to the mountains
I looked to the children, I drank from the fountains
We go to the doctor, we go to the mountains
We look to the children, we drink from the fountain
Yeah, we go to the Bible, we go through the work out
We read up on revival, we stand up for the lookout
There's more than one answer to these questions
Pointing me in a crooked line
And the less I seek my source for some definitive
The closer I am to fine
The closer I am to fine
The closer I am to fine, yeah

Fire And Rain

[James Taylor](#)

Just yesterday mornin', they let me know you were gone
Suzanne the plans they made put an end to you
I walked out this morning and I wrote down this song
I just can't remember who to send it to

I've seen fire and I've seen rain
I've seen sunny days that I thought would never end
I've seen lonely times when I could not find a friend
But I always thought that I'd see you again

Won't you look down upon me, Jesus
You've got to help me make a stand
You've just got to see me through another day
My body's aching and my time is at hand
I won't make it any other way

I've seen fire and I've seen rain
I've seen sunny days that I thought would never end
I've seen lonely times when I could not find a friend
But I always thought that I'd see you again

Been walking my mind to an easy time, my back turned towards the sun
Lord knows when the cold wind blows, it'll turn your head around
Well there's hours of time on the telephone line to talk about things to come
Sweet dreams and flying machines in pieces on the ground

I've seen fire and I've seen rain
I've seen sunny days that I thought would never end
I've seen lonely times when I could not find a friend
But I always thought that I'd see you baby, one more time again, now

Thought I'd see you one more time again
There's just a few things coming my way this time around now
Thought I'd see you, thought I'd see you, fire and rain now
Na na na. Na na na na na na na na na na. Na na na na na na na na

I've seen fire and I've seen rain
I've seen sunny days that I thought would never end
I've seen lonely times when I could not find a friend
But I always thought that I'd see you baby, one more time again, now

Thought I'd see you one more time again
There's just a few things coming my way this time around now
Thought I'd see you, thought I'd see you, fire and rain now

I Should Have Known Better

[The Beatles](#)

I should have known better with a girl like you
That I would love everything that you do
And I do, hey, hey, hey, and I do

Whoa, oh, I never realized what a kiss could be
This could only happen to me
Can't you see, can't you see

That when I tell you that I love you, oh
You're gonna say you love me, too, oh
And when I ask you to be mine
You're gonna say you love me, too

So oh, I should realized a lot of things before
If this is love you've got to give me more
Give me more, hey hey hey, give me more

Whoa, oh, I never realized what a kiss could be
This could only happen to me
Can't you see, can't you see

That when I tell you that I love you, oh
You're gonna say you love me, too, oh
And when I ask you to be mine
You're gonna say you love me, too
You love me, too, you love me, too, you love me, too

Wild Horses

[The Rolling Stones](#)

Childhood living is easy to do
The things you wanted I bought them for you
Graceless lady you know who I am
You know I can't let you slide through my hands

Wild horses couldn't drag me away
Wild, wild horses couldn't drag me away

I watched you suffer a dull aching pain
Now you've decided to show me the same
No sweeping exit or offstage lines
Could make me feel bitter or treat you unkind
Wild horses couldn't drag me away
Wild, wild horses couldn't drag me away
I know I've dreamed you a sin and a lie
I have my freedom but I don't have much time
Faith has been broken tears must be cried
Let's do some living after we die

Wild horses couldn't drag me away
Wild, wild horses we'll ride them some day
Wild horses couldn't drag me away
Wild, wild horses we'll ride them some day

Hurts So Good
[John Mellencamp](#)

When I was a young boy,
Said put away those young boy ways
Now that I'm getting' older, so much older
I long for those young boy days
With a girl like you
With a girl like you
Lord knows there are things we can do, baby
Just me and you
Come on and make it a

Hurt so good
Come on baby make it hurt so good
Sometimes love don't feel like it should
You make it, hurt so good

You don't have to be so exciting
Just trying to give myself a little bit of fun, yeah
You always look so inviting
You ain't as green as you are young
Hey baby it's you
Come on girl now it's you
Sink your teeth right through my bones, baby
Let's see what we can do
Come on and make it a

Hurt so good
Come on baby make it hurt so good
Sometimes love don't feel like it should
You make it hurt so good

I ain't talking no big deals
I ain't made no plans myself
I ain't talking no high heels
Maybe we could walk around, all day long,
Walk around, all day long

Hurt so good
Come on baby make it hurt so good
Sometimes love don't feel like it should
You make it hurt so good
Hurt so good, come baby now
Come on baby make it hurt so good
Sometimes love don't feel like it should
You make it hurt so good

With a Little Help from My Friends
[The Beatles](#)

What would you think if I sang out of tune,
would you stand up and walk out on me?
lend me your ears and I'll sing you a song
and I'll try not to sing out of key.

Oh, I get by with a little help from my friends
mm, I get high with a little help from my friends
mm, gonna try with a little help from my friends

What do I do when my love is away
(does it worry you to be alone?)
how do I feel by the end of the day,
(are you sad because you're on your own?)

No, I get by with a little help from my friends
mm, I get high with a little help from my friends
mm, gonna try with a little help from my friends

Do you need anybody
I need somebody to love
could it be anybody
I want somebody to love.

Would you believe in a love at first sight
yes, I'm certain that it happens all the time
what do you see when you turn out the light
I can't tell you but i know it's mine,

Oh, I get by with a little help from my friends
mm, I get high with a little help from my friends
mm, gonna try with a little help from my friends

Do you need anybody
I just need someone to love
could it be anybody
I want somebody to love.

Oh, I get by with a little help from my friends
with a little help from my friends.

Without You
[Keith Urban](#)

I've loved you since the very first day
When I caught you looking my way
A smile and just knew it.
And up until you came along, no one ever heard my song,
Now its climbing with a bullet.

Its nice to have someone, so honestly devoted,
But when it's said and done, girl I hope you know that,

The traveling, the singing, it don't mean nothing without you
The fast cars, the guitars, they are all just second to,
This life, this love that you and I have been dreaming of, for so long
It'd all be as good as gone, without you.

Oh ho, without you, hey hey

Along comes a baby girl, and suddenly my little world,
Just got a whole lot bigger, yes it did.
And people that I barely knew, who love me 'cause I'm part of you
Man it's tough to figure
How two souls can be, miles from one another
But still you and me, have somehow found each other.

The traveling, the singing, it don't mean nothing without you
The fast cars, the guitars, they are all just second to,
This life, this love that you and I have been dreaming of, for so long
It'd all be as good as gone, without you.

Without you, oh oh
Without you I'd survive, but I'd have to have the notion
That I could live this life, just going through the motions

The traveling, the singing, it don't mean nothing without you
The fast cars, the guitars, they are all just second to,
This life, this love that you and I have been building up so high
It's never gonna touch the sky, without you.

Mm, without you
Without you, baby, baby, baby without you
Without you.

Shallow

[Lady Gaga](#), [Bradley Cooper](#)

Tell me somethin', girl
Are you happy in this modern world?
Or do you need more?
Is there somethin' else you're searchin' for?

I'm falling
In all the good times I find myself
Longin' for change
And in the bad times I fear myself

Tell me something, boy
Aren't you tired tryin' to fill that void?
Or do you need more?
Ain't it hard keeping it so hardcore?

I'm falling
In all the good times I find myself
Longin' for change
And in the bad times I fear myself

I'm off the deep end, watch as I dive in
I'll never meet the ground

Crash through the surface, where they can't hurt us
We're far from the shallow now
In the shallow, shallow
In the shallow, shallow
In the shallow, shallow
We're far from the shallow now

Oh, oh, oh, oh
Whoah!

I'm off the deep end, watch as I dive in
I'll never meet the ground
Crash through the surface, where they can't hurt us
We're far from the shallow now

In the shallow, shallow
In the shallow, shallow
In the shallow, shallow
We're far from the shallow now

You've Got to Hide Your Love Away [The Beatles](#)

Here I stand head in hand
Turn my face to the wall
If she's gone I can't go on
Feeling two foot small
Everywhere people stare
Each and every day
I can see them laugh at me
And I hear them say

Hey you've got to hide your love away
Hey you've got to hide your love away

How can I even try?
I can never win
Hearing them, seeing them
In the state I'm in
How could she say to me
"Love will find a way?"
Gather round all you clowns
Let me hear you say

Hey you've got to hide your love away
Hey you've got to hide your love away

Danny's Song
[Kenny Loggins](#)

People smile and tell me I'm the lucky one
And we've just begun
Think I'm gonna have a son
He will be like she and me, as free as a dove
Conceived in love
Sun is gonna shine above

And even though we ain't got money
I'm so in love with you honey
And everything will bring a chain of love
And in the mornin' when I rise
Bring a tear of joy to my eyes
And tell me everything is gonna be alright

Seems as though a month ago I was Beta Chi
Never got high
Oh, was a sorry guy
And now I smile and face the girl that shares my name, yeah
Now I'm through with the game
This boy'll never be the same

And even though we ain't got money
I'm so in love with you honey
And everything will bring a chain of love
And in the mornin' when I rise
Bring a tear of joy to my eyes
And tell me everything is gonna be all right

Pisces Virgo rising is a very good sign
Strong and kind
And the little boy is mine
Now I see a family where there once was none
Now we've just begun
Yeah we're gonna fly to the sun

And even though we ain't got money
I'm so in love with you honey

And everything will bring a chain of love
And in the mornin' when I rise
You bring a tear of joy to my eyes
And tell me everything is gonna be all right
Love the girl who holds the world in a paper cup
Drink it up
Love her and she'll bring you luck
And if you find she helps your mind
Buddy, take her home
Yeah, don't you live alone
Try to earn what lovers own

And even though we ain't got money
I'm so in love with you honey
And everything will bring a chain of love
And in the mornin' when I rise
You bring a tear of joy to my eyes
And tell me everything is gonna be alright

Come To My Window

[Melissa Etheridge](#)

Come to my window
Crawl inside, wait by the light of the moon
Come to my window
I'll be home soon

I would dial the numbers
Just to listen to your breath
I would stand inside my hell
And hold the hand of death
You don't know how far I'd go
To ease this precious ache
You don't know how much I'd give

Or how much I can take
Just to reach you
Just to reach you
Oh to reach you

Come to my window
Crawl inside, wait by the light of the moon
Come to my window, I'll be home soon

Keeping my eyes open
I cannot afford to sleep
Giving away promises
I know that I can't keep
Nothing fills the blackness
That has seeped into my chest

I need you in my blood
I am forsaking all the rest
Just to reach you
Just to reach you
Oh to reach you, oh

Come to my window
Crawl inside, wait by the light of the moon
Come to my window, I'll be home soon

I don't care what they think
I don't care what they say
What do they know about this love
Anyway

Come, come to my window
I'll be home, I'll be home, I'll be home
I am coming home

Come to my window, oh-ho
Crawl inside, wait by the light of the moon
Come to my window, I'll be home soon
I'll be home, I'll be home
I am coming home

Come to my window, oh ho
Crawl inside, wait by the light of the moon
Come to my window
I'll be home soon
I'll be home, I'll be home, I'll be home

Like to tell you 'bout my baby
You know she comes round
Just 'bout five feet four
From her head to the ground
Well she comes around here
Just about midnight
She makes me feel so good Lord
Makes me feel alright.

Her name is G-L-O-R-I-A
Gloria, Gloria, Gloria... [etc]

Yeah, she comes around here
Just about midnight
Makes me feel so good Lord
Makes me feel alright
Walkin' down my street
Comes up to my house
She knocks upon me door
Makes me feel alright.

Dead Flowers

The Rolling Stones

Well when you're sitting there in your silk upholstered chair
Talkin' to some rich folk that you know
Well I hope you won't see me in my ragged company
Well, you know I could never be alone

Take me down little Susie, take me down
I know you think you're the queen of the underground
And you can send me dead flowers every morning
Send me dead flowers by the mail
Send me dead flowers to my wedding
And I won't forget to put roses on your grave

Well when you're sitting back in your rose pink Cadillac
Making bets on Kentucky Derby Day
Ah, I'll be in my basement room with a needle and a spoon
And another girl to take my pain away

Take me down little Susie, take me down
I know you think you're the queen of the underground
And you can send me dead flowers every morning
Send me dead flowers by the mail
Send me dead flowers to my wedding
And I won't forget to put roses on your grave

Take me down little Susie, take me down
I know you think you're the queen of the underground
And you can send me dead flowers every morning
Send me dead flowers by the U.S. Mail
Say it with dead flowers in my wedding
And I won't forget to put roses on your grave
No, I won't forget to put roses on your grave

Running on Faith

[Eric Clapton](#)

Lately I've been running on faith
What else can a poor boy do?
But my world will be right
When love comes over you

Lately I've been talking in my sleep
I can't imagine what I'd have to say
Except my world will be right
When love comes back your way

I've always been
One to take each and every day
Seems like by now
I'd find a love who cares just for me

Then we'd go running on faith
All of our dreams would come true
And our world will be right
When love comes over me and you
Then we'd go running on faith
All of our dreams would come true
And our world will be right
When love comes over me and you
When love comes over you

Back in the U.S.S.R.

[The Beatles](#)

Flew in from Miami Beach BOAC
Didn't get to bed last night
On the way the paper bag was on my knee
Man, I had a dreadful flight
I'm back in the USSR
You don't know how lucky you are, boy
Back in the USSR, yeah

Been away so long I early knew the place
Gee, it's good to be back home
Leave it till tomorrow to unpack my case
Honey disconnect the phone
I'm back in the USSR
You don't know how lucky you are, boy
Back in the US
Back in the US
Back in the USSR

Well the Ukraine girls really knock me out
They leave the west behind
And Moscow girls make me sing and shout
That Georgia's always on my my my my my my my my mind
Oh, come on
Hu hey hu, hey, ah, yeah
Yeah, yeah, yeah
I'm back in the USSR
You don't know how lucky you are, boys
Back in the USSR

Well the Ukraine girls really knock me out
They leave the west behind
And Moscow girls make me sing and shout
That Georgia's always on my my my my my my my my mind

Oh, show me round your snow peaked
Mountain way down south
Take me to your daddy's farm
Let me hear your balalaika's ringing out
Come and keep your comrade warm
I'm back in the USSR
Hey, you don't know how lucky you are, boy

Back in the USSR
Oh, let me tell you, honey

Moondance
[Van Morrison](#)

Well, it's a marvelous night for a moondance
With the stars up above in your eyes
A fantabulous night to make romance
'Neath the cover of October skies
And all the leaves on the trees are falling
To the sound of the breezes that blow
And I'm trying to please to the calling
Of your heart-strings that play soft and low
And all the night's magic seems to whisper and hush
And all the soft moonlight seems to shine in your blush

Can I just have one more moondance with you, my love
Can I just make some more romance with you, my love

Well, I want to make love to you tonight
I can't wait 'til the morning has come
And I know now the time is just right
And straight into my arms you will run
And when you come my heart will be waiting
To make sure that you're never alone
There and then all my dreams will come true, dear
There and then I will make you my own
And every time I touch you, you just tremble inside
And I know how much you want me that you can't hide

Can I just have one more moondance with you, my love
Can I just make some more romance with you, my love

Well, it's a marvelous night for a moondance
With the stars up above in your eyes
A fantabulous night to make romance
'Neath the cover of October skies
And all the leaves on the trees are falling
To the sound of the breezes that blow
And I'm trying to please to the calling
Of your heart-strings that play soft and low
And all the night's magic seems to whisper and hush
And all the soft moonlight seems to shine in your blush

Can I just have one more moondance with you, my love
Can I just make some more romance with you, my love

One more moondance with you in the moonlight
On a magic night
La, la, la, la in the moonlight
On a magic night
Can't I just have one more dance with you my love

No Matter What

[Badfinger](#)

No matter what you are
I will always be with you
Doesn't matter what you do girl, oh girl with you
No matter what you do
I will always be around

Won't you tell me what you found girl, oh girl won't you
Knock down the old brick wall, and be a part of it all
Nothing to say, nothing to see, nothing to do
If you would give me all, as I would give it to you
Nothing would be, nothing would be, nothing would be

No matter where you go
There will always be a place
Can't you see in my face girl, oh girl don't you
Knock down the old brick wall, and be a part of it all
Nothing to say, nothing to see, nothing to do
If you would give me all, as I would give it to you
Nothing would be, nothing would be, nothing would be

No matter what you are
I will always be with you
Doesn't matter what you do girl, oh girl want you
Oh girl, you girl, want you
Oh girl, you girl, want you

Hotel California

[Eagles](#)

On a dark desert highway, cool wind in my hair
Warm smell of colitas, rising up through the air
Up ahead in the distance, I saw a shimmering light
My head grew heavy and my sight grew dim
I had to stop for the night.

There she stood in the doorway;
I heard the mission bell
And I was thinking to myself
'This could be heaven or this could be Hell'
Then she lit up a candle and she showed me the way
There were voices down the corridor,
I thought I heard them say

Welcome to the Hotel California
Such a lovely place (such a lovely place)
Such a lovely face.
Plenty of room at the Hotel California
Any time of year (any time of year) you can find it here

Her mind is Tiffany-twisted, she got the Mercedes bends
She got a lot of pretty, pretty boys, that she calls friends
How they dance in the courtyard, sweet summer sweat
Some dance to remember, some dance to forget

So I called up the Captain,
'Please bring me my wine'
He said, 'we haven't had that spirit here since nineteen sixty-nine'
And still those voices are calling from far away,
Wake you up in the middle of the night
Just to hear them say"

Welcome to the Hotel California
Such a lovely place (such a lovely place)
Such a lovely face.
They livin' it up at the Hotel California
What a nice surprise (what a nice surprise), bring your alibis

Mirrors on the ceiling,
The pink champagne on ice
And she said, 'we are all just prisoners here, of our own device'
And in the master's chambers,
They gathered for the feast
They stab it with their steely knives,
But they just can't kill the beast

Last thing I remember, I was
Running for the door
I had to find the passage back to the place I was before
'Relax' said the night man,
'We are programmed to receive.
You can check out any time you like,
But you can never leave!'

Twist and Shout

Well, shake it up, baby, now
Twist and shout
Come on, come on, come, come on, baby, now
Come on and work it on out
Well, work it on out, honey
You know you look so good

You know you got me goin' now
Just like I know you would

Well, shake it up, baby, now
Twist and shout
Come on, come on, come, come on, baby, now
Come on and work it on out
You know you twist, little girl
You know you twist so fine
Come on and twist a little closer now
And let me know that you're mine, woo

Ah, ah, ah, ah, wow
Baby, now
Twist and shout
Come on, come on, come, come on, baby, now
Come on and work it on out
You know you twist, little girl
You know you twist so fine
Come on and twist a little closer now
And let me know that you're mine

Yo no soy marinero
Yo no soy marinero, soy capitan
Soy capitan, soy capitan

Guantanamera

[Julio Iglesias](#)

Mi verso es un verde claro
Y de un carmín encendido
Mi verso es un ciervo herido
Que busca en el monte amparo
Guantanamera, guajira guantanamera
Guantanamera, guajira guantanamera

Con los pobres de la tierra
Quiero yo mi suerte echar
Con los pobres de la tierra
Quiero yo mi suerte echar
El arroyo de la sierra
Me complace más que el mar

Guantanamera, guajira guantanamera
Guantanamera, guajira guantanamera
Guantanamera, guajira guantanamera
Guantanamera, guajira guantanamera

Imagine

[John Lennon](#)

Imagine there's no countries
It isn't hard to do
Nothing to kill or die for
And no religion, too

Imagine all the people
Living life in peace

You, you may say I'm a dreamer
But I'm not the only one
I hope someday you will join us
And the world will be as one

Imagine no possessions
I wonder if you can
No need for greed or hunger
A brotherhood of man

Imagine all the people
Sharing all the world

You, you may say I'm a dreamer
But I'm not the only one
I hope someday you will join us
And the world will live as one

Joy to the World
[Three Dog Night](#)

Jeremiah was a bullfrog
Was a good friend of mine
I never understood a single word he said
But I helped him a-drink his wine
And he always had some mighty fine wine

Singin' joy to the world
All the boys and girls now
Joy to the fishes in the deep blue sea
Joy to you and me

And if I were the king of the world
Tell you what I'd do
I'd throw away the cars and the bars and the war
Make sweet love to you

Sing it now, joy to the world
All the boys and girls
Joy to the fishes in the deep blue sea
Joy to you and me

You know I love the ladies
Love to have my fun
I'm a high life flyer and a rainbow rider
A straight shootin' son-of-a-gun
I said a straight shootin' son-of-a-gun

Joy to the world
All the boys and girls
Joy to the fishes in the deep blue sea
Joy to you and me

Joy to the world
All the boys and girls
Joy to the world
Joy to you and me

Joy to the world
All the boys and girls
Joy to the fishes in the deep blue sea
Joy to you and me

Joy to the world
Joy to you and me
Joy to the world
All the boys and girls now
Joy to the fishes in the deep blue sea
Joy to you and me

Joy to the world
All the boys and girls
Joy to the fishes in the deep blue sea
Joy to you and me

Joy to the world
All the boys and girls

Ob-La-Di, Ob-La-Da
[The Beatles](#)

Desmond has a barrow in the marketplace
Molly is the singer in a band
Desmond says to Molly, girl, I like your face
And Molly says this as she takes him by the hand

Ob la di, ob-la-da, life goes on, bra
La-la, how the life goes on
Ob-la di, ob-la-da, life goes on, bra
La-la, how the life goes on

Desmond takes a trolley to the jeweller's store
Buys a twenty carat golden ring
Takes it back to Molly waiting at the door
And as he gives it to her she begins to sing

Ob la di, ob-la-da, life goes on, bra
La-la, how the life goes on
Ob-la di, ob-la-da, life goes on, bra
La-la, how the life goes on

In a couple of years they have built
A home sweet home
With a couple of kids running in the yard
Of Desmond and Molly Jones

Happy ever after in the market place
Desmond lets the children lend a hand
Molly stays at home and does her pretty face
And in the evening she still sings it with the band

Ob la di, ob-la-da, life goes on, bra
La-la, how the life goes on
Ob-la di, ob-la-da, life goes on, bra
La-la, how the life goes on

In a couple of years they have built
A home sweet home
With a couple of kids running in the yard
Of Desmond and Molly Jones

Happy ever after in the market place
Molly lets the children lend a hand
Desmond stays at home and does his pretty face
And in the evening she's a singer with the band

Ob la di, ob-la-da, life goes on, bra
La-la, how the life goes on
Ob-la di, ob-la-da, life goes on, bra
La-la, how the life goes on

And if you want some fun, sing ob-la-di, bla-da

All You Need Is Love

[The Beatles](#)

Love, love, love

Love, love, love

Love, love, love

There's nothing you can do that can't be done

Nothing you can sing that can't be sung

Nothing you can say, but you can learn how to play the game

It's easy

Nothing you can make that can't be made

No one you can save that can't be saved

Nothing you can do, but you can learn how to be you in time

It's easy

All you need is love

All you need is love

All you need is love, love

Love is all you need

All you need is love

All you need is love

All you need is love, love

Love is all you need

There's nothing you can know that isn't known

Nothing you can see that isn't shown

There's nowhere you can be that isn't where you're meant to be

It's easy

All you need is love

All you need is love

All you need is love, love

Love is all you need

All you need is love (all together now)

All you need is love (everybody)

All you need is love, love

Love is all you need

Love is all you need

(Love is all you need)

Love is all you need

The minute you let her under your skin
Then you begin to make it better

And anytime you feel the pain
Hey Jude, refrain
Don't carry the world upon your shoulders
For well you know that it's a fool
Who plays it cool
By making his world a little colder
Na-na-na, na, na
Na-na-na, na

Hey Jude, don't let me down
You have found her, now go and get her (let it out and let it in)
Remember to let her into your heart (hey Jude)
Then you can start to make it better

So let it out and let it in
Hey Jude, begin
You're waiting for someone to perform with
And don't you know that it's just you
Hey Jude, you'll do
The movement you need is on your shoulder
Na-na-na, na, na
Na-na-na, na, yeah

Hey Jude, don't make it bad
Take a sad song and make it better
Remember to let her under your skin
Then you'll begin to make it better
Better better better better better, ah!

Na, na, na, na-na-na na (yeah! Yeah, yeah, yeah, yeah, yeah, yeah)
