Any elected officer may be removed from office by the following procedure: at least one-third of the listed members of the Section must sign a petition to the Executive Secretary of the Association requesting a special election, and including nominations for the office in question. The Executive Secretary arranges an extraordinary election within 60 days at the expense of the Section, with the challenged officer(s) on the ballot. The result of the election becomes effective immediately.

This committee will solicit nominations and self-nominations from Section members, and is charged with recruiting candidates with the highest qualifications and professional standing for elections.

Section 1. ANNUAL DUES. The Executive Committee may propose to the members an annual dues charge for the classes of membership. If approved by the Board of Directors of the Association, this charge shall be adopted upon the affirmative vote of two-thirds of the responding Active Members of the Section, voting electronically. Nonpayment of such dues shall be a basis for termination of membership in the Section, but shall not affect the individual’s status as a member of the Association.

Section 2. DISTRIBUTION OF NET ASSETS. In the event the Section is dissolved, the elected officers shall transfer the net assets of the Section to the Board of Directors of the Association, to be used for the work of the Association.

Article 7: Annual Meeting and Reports

Section 1. BUSINESS MEETING. An annual business meeting of the Section shall be held at the time and place of the annual conference of the Association. A simple majority of the Active members at the business meeting determines approval on motions before the Section.

Section 2. OFFICERS’ REPORTS. Motions approved at the annual business meeting involving (a) a change in Bylaws, (b) election of officers, (c) creation of standing or permanent committees, and (d) Section dues adjustments will require an affirmative vote of two-thirds of the responding Active Members of the Section, voting on a mail or electronic ballot.

Article 8: Program Proposals and Selection

Peer review shall be the basis for annual conference program development. The Vice Chair, in consultation with the other members of the Executive Committee, shall recruit qualified members of the Section to review the papers/panel proposals submitted for review. In special cases requiring particular knowledge or expertise, the Vice Chair may recruit individual reviewers who are not Section members.

Article 9: Awards

The Section shall present awards at its annual business meeting.

Section 1: TOP PAPER AWARDS. Four papers which receive the highest numerical score from peer reviewers shall be sent to the Awards Committee. The Awards Committee shall select 1-3 top papers, and the Executive Committee shall select one member of the committee to present the awards at the annual business meeting.

Section 2: TOP DISSERTATION AWARD. This award, offered in odd-numbered years, honors a dissertation whose topic falls within the mandate of the Section (as defined in Article 2 of these Bylaws). The dissertation must have been completed (defended) in the two calendar years preceding the nomination deadline. The award is open to all ICA members who are also members of the Section. The review committee judges each nominated dissertation on several criteria including the importance of the problem/topic it addresses, the strength of evidence it presents, and the significance of its conclusions.
The committee also considers the overall contribution of the research to the field and the relationship of the submission to the mission of the Section.

Section 2: ADOPTION. A two-thirds majority of those members voting in the electronic vote administered by the Association shall be required for adoption of an amendment to the Section Bylaws.

**Article 11: Parliamentary Authority**

In the absence of any provisions to the contrary in these Bylaws, all business meetings of the Section shall be governed by the parliamentary rules and usages contained in the current edition of Robert’s Rules of Order, Revised.

**Article 12: Enabling Clause**

These Bylaws shall become effective immediately upon approval by a majority vote of the members voting in the electronic vote administered by the Association in fall 2016. If these Bylaws are approved, the Executive Committee is authorized to make any additional minor stylistic changes consistent with the intent of the articles proposed. The Executive Committee shall be responsible for formulating necessary policies, procedures, and documents needed to facilitate the functioning of these Bylaws.
