CALL FOR PAPERS: HEALTH & NEW MEDIA RESEARCH

Health & New Media Research (HNMR) invites the submission of original research manuscripts for publication in Volume 6, Issue 1. HNMR focuses on the role of communication and new media in public and environmental health to advance scholarly discoveries and real-world solutions. HNMR is an open-access, international, biannual peer-reviewed academic journal published in June and December by the Health & New Media Research Institute at Hallym University (South Korea).

The deadline for manuscript submissions is March 15, 2022. As an incentive for authors to contribute to this journal, there will be an award of US$500 for accepted papers. The submission should not have been published previously nor may any included material be drawn from previously published work. Submissions to HNMR must not be under consideration for publication in any form elsewhere.

For more information about the journal and submission, please visit our website: www.jhnmr.org. Inquiries should be sent to hnmr@hallym.ac.kr.
SHARE WITH US!

Job postings, book releases, awards/promotions, CFP/RFP, newly published articles, networking opportunities?
