CHAPTERS COMMITTEE CHAIR'S LETTER

MARK LeMAY, AIA
ICRI Secretary &
Chapters Chair

Having just completed another very successful Regional Roundtable meeting in Philadelphia, it is clear that local ICRI Chapters are the lifeblood of our organization. Sincere thanks to Adam, Kevin, Pat, Mark, Alex, Kirk, Todd, Bob, Phil, Sam and Isaac for taking time to represent their Chapters, and for sharing valuable information about their Chapter structure, programs, and events, as well as their successes and challenges. AND, at this Roundtable, a first-time occurrence—David Huggins was in attendance to represent the soon-to-be-chartered Toronto Chapter! Yes, by the time you read this, we hope to have a new Canadian Chapter! Kudos to Dave and Stephen Franks for their diligent efforts in getting

this new Chapter up and running! Thanks, also, to Regional Reps Brian, Jacques and John for sharing their experiences and insights at the Roundtable, and to Mike Levin and Dale Regnier for their leadership! It is always exciting and invigorating to see the interaction and exchange of ideas among Chapter leaders, and the unbridled willingness to help each other!

It is hard to believe that we are approaching the end of another year. The busy summer season is winding down, but I hope your phone continues to ring, as mine has! As we approach the year's end, please do not forget to complete the following important items:

- Prepare a slate of Chapter Officers for 2017
- Hold Chapter elections either at a Chapter meeting or via online balloting
- Report your Chapter election results to Dale Regnier prior to January 15, 2017
- In mid-December, download the Chapter Award forms from the ICRI website
- Compile your Chapter data, complete the Chapter Award forms, and submit them to Dale Regnier prior to February 15, 2017; NOTE: At a minimum, each Chapter MUST submit the one-page Annual Chapter Summary form in order to continue to receive their Chapter dues rebates from ICRI National
- Plan to attend the annual ICRI Kick-Off Party at World on Concrete in Las Vegas on Monday, January 16, 2017. Stay tuned to www.icri.org for further details

And, as always, please continue to update your future events on the ICRI website, and submit your calendar items and Chapter news articles to Dale Regnier for inclusion in the *Concrete Repair Bulletin*.
