

How Do I Access the ICRI Learning Center

Step #1: Log into www.icri.org

The screenshot shows the ICRI website homepage. At the top, there is a navigation bar with links for HOME, CONTACT US, SIGN IN, and JOIN/REGISTER. Below this is a search bar and social media icons for Facebook, Twitter, and LinkedIn. A main navigation menu includes ABOUT, MEMBERSHIP, COMMITTEES, CHAPTERS, EVENTS, AWARDS, CERTIFICATION, and PUBLICATIONS. The main content area features a 'Member Login' section with instructions for existing and new users, a login form with fields for Username and Password, a 'Remember Me' checkbox, and a 'Sign In' button. There are also links for 'Forgot your password?' and 'Haven't registered yet?'. To the right of the login section are several promotional banners: EDCO Manufacturing Since 1959, EVONIK Protectosil, and a 'Concrete Surface Profile Chips and Guide' with a 'Purchase' button. Below these is an 'ICRI & Industry Calendar' section listing events for 8/22/2019 and 9/12/2019.

Step #2: Once you are logged in, scroll over "Certification" and click "Certification & Learning Center".

The screenshot shows the ICRI website homepage after logging in. The main navigation menu is highlighted, and the 'CERTIFICATION' dropdown menu is open, showing options: CSRT-Concrete Surface Repair Technician, CSMT-Concrete Slab Moisture Testing Technician, Certification & Learning Center, and Training Opportunities. A red arrow points from the 'Certification & Learning Center' option to the 'Manage Profile' section. The 'Manage Profile' section includes a 'Profile Home' link, an 'ICRI Profile Overview' section, and a 'Membership Status' section. The 'Membership Status' section has a link to view current individual membership status and expiration date. The same promotional banners from the previous screenshot are visible on the right side of the page.
