

2018-2019 Membership Investment Schedule

Your IFDA membership investment is based upon your total number of Licensed Employees Seeking CE (part-time, full-time, and seasonal). These employees are defined as licensed funeral directors/embalmers that are required by the Illinois Department of Financial & Professional Regulation (IDFPR) to acquire Continuing Education credit hours to maintain their license. If your invoice amount does not reflect the correct annual investment amount, please contact IFDA at 217-525-2000.

Payments are due by May 31, 2018.

IFDA Investment	
# Licensed Employees	Annual Investment Amount
Individual-Non-Firm	\$336
1-2	\$499
3-4	\$819

9-10	\$1579
11-12	\$1865
13-14	\$2145
15-16	\$2510
17-18	\$2928
19-20	\$3437
21+	Contact IFDA
Associate	\$525
Student/Licensed Intern	\$0

Political Action Contributions

IFDA has a very active Political Action Committee (IFDA PAC). Each election cycle, contributions are made to members of the General Assembly that influence legislation impacting the funeral profession. Each quarter, the IFDA PAC files a report with the Illinois Bureau of Elections, which is available online on the bureau's web site.

Scholarship Contributions

Each year IFDA, depending on funds available, provides scholarships to worthy students attending a mortuary school in the State of Illinois. Awards are limited to \$500 per student and are used to offset expenses associated with attending mortuary school.

Investment Deductibility

Investments paid to the IFDA are not deductible as a charitable expense. Your investment can, however, be deductible as an ordinary and necessary business expense. The portion of your investment that is not deductible due to lobbying expenses for this fiscal year is 35%.
