Join the International Federation of Fertility Societies (IFFS) and the Groupe Interafricain d’Etude, de Recherche et d’Application sur la Fertilité (GIERAF) for an interactive webinar.

Advance your ART practice to a higher level with this in-depth educational activity.

The program reviews IUI effectiveness; luteal support; ovarian failure; managing an IVF lab including quality and safety; and more. This activity was designed for members of GIERAF and healthcare providers in the nations it serves, however all are welcome to participate. The activity will be provided for both English- and French-speaking participants using subtitles and transcripts.

Registration is free but seats are limited.

This activity is supported in part by an unrestricted educational grant from Ferring Pharmaceuticals.
