

ANNUAL SYMPOSIUM SPONSORSHIPS AVAILABLE!

Our annual day-long Symposium, which this year focuses on Innovation In the Workplace, will be held Thursday, May 24 at Edgefield. The event brings together facilities professionals from across Oregon and Southwest Washington for a day of education and fellowship and typically draws 100+ attendees, many of whom don't typically attend monthly IFMA events, making it a quality target-rich environment for your business.

Sponsorship options are listed below. Interested parties should contact Symposium Chair, Sarah Wortman at swortman@lrsarchitects.com or 503.351.4436
