DISASTER RESPONSE

The New Year brings the hope of new possibilities, paired with plans to help bring those possibilities to fruition. Our hope for this next year is to give you insight and direction into one of our own Partners, Team Rubicon.

Our January Luncheon welcomes Jim Leckinger of Team Rubicon, where he joins us to discuss how we can aid in seeing its mission through by helping to ensure Team Rubicon runs efficiently and effectively. Come to learn how you can be a part of this great organization who has been vital in helping to rebuild the lives of so many, especially right here in our own town.
