AGENCY APPLICATION FOR MEMBERSHIP

Our agency wishes to apply for membership in the Independent Insurance Agents of Houston.

The filing of this application does not obligate nor bind IIAH to accept the applicant for membership in the Association. All applications are submitted to the IIAH Board of Directors for approval.

Eligibility

We certify that our Agency meets the following requirements, and that failure to continue to meet these requirements will disqualify Agency for membership in IIAH:

- That all agency principals are licensed in the State of Texas as a general or limited lines property and casualty agent, or otherwise qualify under Texas law.
- Operates on a commission basis as an independent contractor, and has ownership of its accounts and expirations by contract with its insurance companies.
- Is not restricted from placing insurance risks with more than one insurance company.
- Is actively engaged in business, and is contracted as a general or limited lines property and casualty agent for one or more fire, marine, and casualty or surety insurance companies.
- Is of good business reputation and has experience and training and is qualified in the respective lines of insurance placed.
- To be eligible for membership in IIAH, an agency must have the contractual freedom and unqualified discretion to place business with any insurance company available to the agency. The agency cannot be associated publicly with any insurance company that limits in any way the free choice of markets by the agency.

Dues

Dues are based on total agency personnel headcount and may be paid annually or quarterly.
