#Surviving Lockdown

#E-Learning

#Coping with our "new normal"

The Leadership Academy for Guardians of Governance would like to start by thanking you for your understanding during the COVID-19 national lockdown. It has been a trying time for all of us however, we have pulled together as a team to create a new kind of normal during these very uncertain circumstances. We have ensured that the training needs of our clients are met while prioritising the health and safety of our clients, staff and visitors by complying with the national lockdown regulations and enforcing social distancing.

We would like to assure our clients that we are fully operational and would like to work together to achieve the training needs of your learners. We have put measures in place to ensure that learners complete their studies within the prescribed learnership period.

In light of this, we have introduced ***e-learning for our Occupational Qualification programmes and our new Simulation courses.***

We are very thrilled to inform you that ***two of our e-learning programmes during the lockdown took place on 28-30 April 2020 for IAT TM6*** *with 22 learners and* ***4-6 May 2020 for IAT TM5*** with 28 learners via the Zoom learning platform. Our e-learning experience has been filled with lots of new exciting ways of learning. Our team, facilitators and learners have embraced this new learning approach with enthusiasm and excitement.

We would like to salute our facilitators Louise Stevens and Logan Govender for their dedication and for making the training fun and exciting for our learners. We are surely getting the hang of this new way of training and it's amazing how quickly our learners have grasped Zoom. To all our learners who were able to join this first e-learning, it was good to see you all again.

Thank you for your support.

Thank you for the positive feedback received.

We are committed to offer you the best possible learning experience during this time.

We would like to thank everyone for all the hard work for making this all possible.

Stay Home, Stay Safe and look after yourselves and your families.

We are all in this TOGETHER.
