

**MYRON F. STEVES
INSURANCE PROFESSIONAL SCHOLARSHIP**

We are privileged to have the Myron F. Steves Insurance Professional Scholarship Program. In its pledge to "Excellence through Education," the annual Steves Scholarship provides tuition for the full course of study required by the designations of ARM, CPCU, or any other designation administered by the Insurance Institute of America, CIC, CRM, RPLU, ACSR, and CISR. Applicants must demonstrate ongoing commitment to continuing education by having previously earned an insurance designation or by regularly attending industry-related seminars.

The award is available to all individuals employed by Agent Members and Affiliate Members of the Independent Insurance Agents of San Antonio (IIASA). Applications are to be mailed or emailed to the IIASA at the address below.

The application must be received by the IIASA no later than June 30th of each year. An independent review committee will select the finalists who will then be judged by the IIASA Board of Directors. The recipient will be announced at the IIASA September luncheon.

The Independent Insurance Agents of San Antonio extend gratitude and appreciation to Myron F. Steves and Company for sponsoring the Scholarship and for their continuing support of insurance education and professionalism.
