NEW-HIRE ONLINE TRAINING SCHOLARSHIP**

AN ONLINE PROGRAM CREATED BY IIAT

We are privileged to have the Specialty Insurance Managers New-Hire Online Training Scholarship. In its pledge to educate and inform new employees, the annual SimTex Scholarship provides tuition for the full course of study for the Six-Step New-Hire Online Training Program provided by the Independent Insurance Agents of Texas. Applicants should have no longer than two years of prior insurance experience.

The award is available to all individuals employed by only Agent Members of the Independent Insurance Agents of San Antonio (IIASA). Applications are to be mailed or emailed to the IIASA at the address below.

The application must be received by the IIASA no later than August 1st of each year. An independent review committee will select the finalists who will then be judged by the IIASA Education Committee. The recipient will be announced at the IIASA September luncheon.

The Independent Insurance Agents of San Antonio extend gratitude and appreciation to Specialty Insurance Managers for sponsoring the Scholarship and for their continuing support of insurance education and professionalism.
