IICRC Certified Firm Webinar Series is looking for hosts! Do you want to share your knowledge with the industry? The industry’s highest technical designation. Visit the IICRC Masters page for more info.

The IICRC offers dozens of certifications, including a Trauma and Crime Scene Technician (TCST) course, as well as advanced designations. As technicians accumulate various certifications, they become eligible for advanced designations such as an IICRC Journeyman and IICRC Master – the code “IICRC30” during registration.

The Standards Board meeting is September 16-18, 2020 in Las Vegas, NV. The Standards Summit will be March 19-20, 2020 in Las Vegas, NV.

CALLING ALL Instructors! Join us Sept. 28, at Tuscany Suites & Casino in Las Vegas for the Annual IICRC ANNUAL INSTRUCTORS MEETING. Save the Date!

Are you a Certified Firm interested in being in the Certified Firms Spotlight section of IICRC updates and fun contests. Follow us at @IICRC_Official
