

FOR IMMEDIATE RELEASE

BSR/IICRC S220 New Draft Standard Available for Public Review

LAS VEGAS – March 6, 2020 – [The Institute of Inspection, Cleaning and Restoration Certification](http://www.iicrc.org) (IICRC) opened public review for the draft BSR/IICRC S220 Standard for Professional Inspection for Hard Surface Floor Coverings. The draft S220 Standard is available March 6 to April 20 for review.

The IICRC S220 Standard describes the procedures, methods and systems to follow when inspecting light commercial and residential hard surface floor coverings such as stone, laminate, pre-finished wood, ceramic and resilient. This Standard does not specifically address the protocols and procedures for installing hard surface floor coverings.

The IICRC S220 draft Standard is available for review and comment as part of the ANSI 45-day public review period. Download the new draft Standard and submit your comments online at www.iicrc.org/page/SBSRIICRCS220. All comments must be submitted using the online comment form no later than April 20, 2020.

For more information about IICRC certification programs and standards, visit www.iicrc.org. To purchase IICRC standards, visit <http://webstore.iicrc.org>.

About the IICRC

The IICRC is an international, ANSI-accredited standard-development organization (SDO) that certifies individuals in 20+ categories within the inspection, cleaning and restoration industries. Representing more than 54,000 certified technicians and 6,000 Certified Firms in 22 countries, the IICRC, in partnership with regional and international trade associations, represents the entire industry. The IICRC does not own schools, employ instructors, produce training materials, or promote specific product brands, cleaning methods or systems. For more information, visit www.iicrc.org.
