FOR IMMEDIATE RELEASE

BSR/IICRC S100 Available for Second Limited Public Review

Las Vegas, NV – February 26, 2021 – The Institute of Inspection, Cleaning and Restoration Certification (IICRC) opened a limited second public review for the revised draft BSR/IICRC S100 Standard for Professional Cleaning of Textile Floor Coverings. The draft revised S100 standard was available for the first public review from October 16 to November 30, 2020. Substantive changes made since the first public review are now available for review and comment as part of the second public review.

The IICRC S100 standard describes the procedures, methods, and systems to be followed when performing professional commercial and residential textile floor coverings (e.g., carpet and rugs) maintenance and cleaning.

The IICRC S100 draft standard is available for review and comment as part of the American National Standards Institute (ANSI) 30-day public review period. Download the revised draft standard and submit your comments online here: https://www.iicrc.org/page/SANSIIICRCS100. All comments must be submitted using the online comment form no later than March 28, 2021.

About IICRC
The IICRC is a global standards developing organization (SDO), accredited through the American National Standards Institute (ANSI), as well as a credentialing body that certifies individuals in 20+ categories within the inspection, cleaning, and restoration industries. With more than 60,000 certified technicians and 6,000 Certified Firms in 22 countries, the IICRC, in partnership with regional and international trade associations, represents the entire industry. The IICRC does not own schools, employ instructors, produce training materials, or promote specific product brands, cleaning methods, or systems. For more information, visit www.iicrc.org.
